KENNETH COPELAND  
MAY 21-25, 2018

### DAY 1 – JESUS HEALS TODAY AND HE IS INSIDE YOU

Jesus is the Healer, and He lives inside you! Read Psalm 91 and take each word personally by putting your name in it. Notice there are three persons, you, Jesus and the Father speaking in Psalm 91.

### STUDY IT

- I. Jesus is the Healer, and He lives inside you!
  - Say: "I receive my healing today. Healing belongs to me. Jesus bought it, and I receive it. Thank You, LORD Jesus."
  - Don't draw back from healing because of your age. God said He created man to live 120 years (Genesis 6:3, *KJV, NLT*).
    - You are not flesh only. Man changed when Jesus was raised from the dead, because at that point a man's spirit could be born again.
    - Don't say you are only human. You've been born again. You have been raised up to sit with Jesus in heavenly places (Ephesians 2:6).
    - Jesus is not *just human*, and neither are you.
  - Healing always comes, but it's not always received.
  - Every human being on the earth can receive salvation immediately. The gift is already given.
  - All the gifts of God are right there waiting on you to receive them!
  
- II. Read Psalm 91, and take each word personally by putting your name in it.
  - There is a secret place of the *MOST HIGH* (Psalm 91:1).
    - You can't get any higher than the *MOST HIGH*.
  - Traditional Pentecost had a song, "LORD, Send the Power Just Now."
  - Kenneth Copeland, as a new believer was praying, "LORD, send the power just now."
    - If you invite Jesus to do so, He will interrupt your prayers and correct you.
    - The LORD asked him, "Where am I going to get more power to give you?"
    - "Kenneth, I filled you with Myself. All the power you could ever need or require is right inside you. I want you to become God-inside minded."
  - Your Healer is right inside you.

III. Notice there are three persons speaking in Psalm 91.

- The three are you, Jesus and the Father.
- **You** make your statement of faith (Psalm 91:1-2).
- **Jesus** speaks His will, plan and promises (Psalm 91:3-13).
  - “For then He will deliver you...” (Psalm 91:3, *AMPC*).
  - In verse 9, *dwelling* is not only the house you live in, it’s also the people in your household, and you!
  - If this tabernacle (your body) dies, you will still be saved (2 Peter 3:11-12).
  - Your body won’t die until you are finished with it.
- **The Father** speaks His promises (Psalm 91:14-16).
- Healing is here, just take it.

## MAKE IT PERSONAL

Make this confession with us:

*God is inside me. I am God-inside minded—not God-far-away minded—not God-in-heaven-only minded. But God is inside me. He lives in me. He abides in me. He is my Advocate. He is my Counselor, my Comforter, my Strengthener, my Intercessor and He is my Healer!*

*I receive my healing from my Jesus! Jesus loves me, and I love Him!*

### DAY 2 – RECEIVE YOUR HEALING BY FAITH AND LOVE

Jesus is the Healer, and He's here! The only hindrance to faith working in people is unforgiveness. You have a part in the covenant of God—walk by faith and love.

#### STUDY IT

- I. Jesus is the Healer, and He's here!
  - Moses prays a prayer of lament (Psalm 90:1-6).
    - Man's age limit of 70 years old was never intended to be the normal life span of a human being. The disobedient Israelites brought this curse on themselves (Psalm 90:7-12).
    - There is a note under Psalm 90 in the *Amplified Bible Classic Edition*.
      - This psalm is credited to Moses who is interceding with God for every man who is over 20 years old when they refused to go into the Promised Land. It was intended to only pertain to Jewish men who were disobedient to God.
  - In the millennium, a person who dies at 100 will be thought of as a child (Isaiah 65:20).
  - God said the normal life span of man is 120 years (Genesis 6:3).
    - Medical science says this physical body should last 120 years.
  - Stop thinking about dying at 75-80 years old.
    - Renew your mind to this truth. Change your thinking and planning. Billy Graham lived to age 99.
    - Charles Green pastored in New Orleans until he turned the church over to someone else, is now 91 years old, and is still going strong. He remembers Bible verses and song lyrics and has no problems with his memory.
  - In this country we *retire*. That word is not in the Hebrew language.
  - Why should you plan on quitting? Continue to be a blessing to people. You may leave the job you have now, but you can start another career!
- II. The only hindrance to faith working in a person is unforgiveness.
  - Unforgiveness hinders the answers to prayers, because offense stops your faith (1 Peter 3:7).
    - Prayer doesn't make faith work—faith makes prayer work.

- If you are committed to long life, you will have to deal with unforgiveness. It's not optional. We are soldiers in the army of The LORD. We are commanded to love God with all our hearts, souls, minds and strength, and our neighbor as ourselves, and love fellow believers as Jesus loves them (Luke 10:27; John 13:34).
- When you commit to this commandment, Jesus will help you do the impossible.

III. You have a part in the covenant of God.

- Your part is to insist on walking by love and living by faith.
- If you won't do your part of the covenant, God is not committed to you. If you break that commandment, you will stay in trouble all the time.
- He that is born of God (Love) does not sin (1 John 5:18).
  - If you do sin, confess it! Get sin out, now! Repent (1 John 1:9)!
- Jesus said narrow is THE way of God, but broad is the path to destruction (Matthew 7:13-14).
  - What is the narrow way? The love line.
- Walk on the love line, because in any place outside the love line the devil is waiting to steal, kill and destroy (Mark 4:14-15; John 10:10).
- Do your reasonable sacrifice by walking in love. That is holy and acceptable to God (Romans 12:1).
  - Stay on the love walk. Stay in love.
  - No love, no faith. No faith, no grace.
  - Stop practicing anger. Practice love.
  - Don't get mad—fix it!
- Practice God's presence. Talk to Him personally. He's right there all the time.

Additional scripture: Mark 11:23-25

## MAKE IT PERSONAL

God has prepared for you to live to be 120 years old according to Genesis 6:3. It's not time to quit; it's time to plan and prepare for the next years!

Begin making plans, and write down the next steps of what you can accomplish with your extra time on the earth. Include plans for your work for The LORD.

### DAY 3 – JESUS FORGIVES AND HEALS

Jesus went about doing good and healing. The account of the man who was lowered through the roof so Jesus could heal him of palsy is found in three places in the Bible. Each time, Jesus announced that the same power to heal will also forgive sin.

### STUDY IT

- I. Jesus went about doing good and healing.
  - Four friends brought a man sick with palsy to Jesus, so he could be healed (Matthew 9:1-7).
    - They couldn't get in through the door because of the crowd, so they lowered the sick man down through the roof.
    - The paralyzed man needed to be healed from the disease, and he needed joy; he needed to cheer up. He needed to know he was forgiven.
    - Jesus told him, "Son, be of good cheer; thy sins be forgiven thee. Arise, take up thy bed, and go unto thine house."
  - Jesus has the power to forgive and the power to heal, because it's the same power.
  - The same anointing that forgives sin also heals.
  
- II. Jesus was preaching The WORD in His own house (Mark 2:1-12).
  - Faith came, because it comes by hearing The WORD of God (Romans 10:17).
  - A man with palsy was let down through the roof by his friends. They believed Jesus could heal their friend.
    - Jesus saw their faith. They put action to their belief.
  - In attendance were scribes and Pharisees. They were not hostile toward Jesus. They had come to hear Him. But they were perplexed by Jesus' statement that He could forgive sins.
  - The power was there to heal them *all*—because Jesus was there!
    - But the listeners got sidetracked. Their religious ideas distracted them, and they missed what Jesus said.

III. Teach yourself to focus on God's WORD. Make a commitment to hear every word of God.

- Satan comes immediately to steal The WORD which was sown. He comes to steal, kill and destroy, in that order. If he can steal God's WORD, he can kill and destroy (John 10:10).
- You're going to have to stand firm for your healing, and don't become distracted like the scribes and Pharisees did.
- When Jesus was preaching, the power of God was present to heal them all.
  - But the Pharisees and doctors of the law didn't think Jesus had the power to forgive.
  - The scribes and Pharisees were so religious they missed their own healing.

IV. Jesus was both teaching and preaching—both impart the power of God (Luke 5:17-25).

- The power of The LORD was present to heal and forgive them.
  - They didn't receive forgiveness, because they didn't believe Jesus had that authority. They couldn't receive what Jesus was offering.
  - Jesus was preaching grace and THE BLESSING.
  - The listeners were not hostile, but they were so religiously trained they missed their own opportunity to be forgiven and healed.

V. The key issue to your healing is forgiveness.

- Stay in love, stay in forgiveness, stay close to the Spirit of God and stay close to Jesus.
- Keith Moore has a wonderful book on healing, *God's Will to Heal*. You can download the book and his teaching series free from his website, [www.moorelife.org](http://www.moorelife.org).
- God's WORD is God speaking to you.

Additional scripture: Luke 8:8

## MAKE IT PERSONAL

Jesus wants to heal your body, forgive your sins, and cleanse you from shame. He took your sins and shame to the Cross and paid an awesome price for you to be free.

Write your thanksgiving prayer to God for the work of Jesus on your behalf.

### DAY 4 – TAKE THE WORD OF GOD LIKE MEDICINE

KCM Partner LaShea McKinney received healing from cancer by taking her medicine—the medicine of speaking and meditating on God's WORD. You can receive healing, too, by believing and speaking God's powerful WORD.

### STUDY IT

- I. KCM Partner LaShea McKinney gave her testimony of being healed of cancer.
  - The doctor gave LaShea 30 days to live. She read and meditated on God's WORD. She listened to preachers who spoke The WORD and increased her faith.
  - LaShea believed what she heard Gloria Copeland preach:
    1. We should take God's WORD like medicine—three times a day. If necessary, double the dose.
    2. The WORD of healing is for us, but we have to receive it.
    3. When we take God at His WORD, it becomes life and health.
  
- II. Anyone can receive healing, just like LaShea. God is no respecter of persons (Acts 10:34).
  - Don't try to feel faith working in you. Faith can't be felt with your physical senses.
  - Faith comes automatically by hearing and hearing and hearing God's WORD (Romans 10:17).
  - How many drops of water does it take to overflow a cup? One. When all the other drops have been added, the one drop causes overflow.
    - Don't stop hearing God's WORD. You are aiming for that one time that tips over the cup, and you are healed! Get the *one more* drop.
  
- III. LaShea's father told her to get up and do what she knew to do to receive her healing from God. Without his insistence, she would have laid down and died.
  - You are going to have to stand on what you've been hearing. No power in this earth is too big for God to overcome.
  - LaShea stood in faith. She understood those promises were not just words in the Bible; they were *for her*, and *for us*. It's our covenant.
  - For LaShea, there was a moment, a knowing moment, that faith came.

- She talked to herself in the mirror. She had to see those words coming out of her mouth. She took God's WORD personally. Her spirit grabbed it. She knew—with Jesus' stripes she was healed.
- It took 28 days for faith to move from her mind to her spirit, but it did! The doctor confirmed that she was totally healed!

IV. Kenneth and Gloria Copeland prayed in agreement with Dodie Osteen when she was fighting cancer.

- Dodie Osteen refused to quit and go to bed. Every day, at least three times a day, she spoke her healing scriptures with faith.
- She said God's WORD healed her then, and it keeps her alive now.
- John and Dodie Osteen grew in the knowledge and understanding of God's WORD of healing, and when she needed to be healed, the power was there.
- You must take The WORD for yourself. You can give to others until you are exhausted, but you must also take God's WORD by faith for yourself.

V. As Kenneth Copeland prayed for Apostle McKinney to be healed, he spoke that the fire of God would cleanse all sickness and disease out of the body.

- Old age cannot stop God's WORD of healing. God promised to satisfy us with long life (Psalm 91:16).
- Take your healing right now!
- Brother Copeland called out several physical areas that were being healed: liver, stomach, throat, sinuses, ears, eyes, lungs, back, kidneys, foot pain, fallen arches and as necessary, the rearrangement of bones.
- Faith is being released; the anointing is going forth. Take it! Jesus is healing you!

## MAKE IT PERSONAL

Make this confession with us:

*The fire of God is cleansing my body, now! Any and everything in my body that needs healing is being healed by the power of God. All shame, regret and disappointment that have tried to keep me down, are also being removed by the fire of Almighty God! I receive it by faith! It's mine, now! Thank You, Jesus!*
