

## THE COMING SUPERNATURAL MOVE OF GOD

### GLORIA COPELAND AND BILLYE BRIM

#### DAY 1 – A SUPERNATURAL MOVE OF GOD TO COME

According to Biblical history, we are in the last of the “End of Days,” and a prophesied supernatural move of God is coming to earth. There will be signs, visions and supernatural happenings like we’ve never seen before. Through this move, God is calling everyone to be saved, and the Body of Christ needs to get ready!

#### STUDY IT

- I. We are in a supernatural move of God in the earth. God’s calling everyone to come into His kingdom and be born again. He’s showing His love and power through signs and miracles that have not been observed in this magnitude since were seen in the early Church and were recorded in the book of Acts.
  - Many years ago Billye Brim attended a seminar along with Kenneth and Gloria Copeland, taught by Kenneth E. Hagin. During that seminar, Billye was filled with the Holy Spirit. Also, Brother Hagin taught many things to these believers who were new to the understanding of the Word of God.
  - Brother Hagin taught about faith, about church leadership, about God’s character, about the end times, supernatural signs, wonders and events; and he prophesied. One of his prophecies explained a vision and teaching given by David Wilkerson.
    - David Wilkerson had been called by God to minister in New York City to the gangs. He wrote a book about his experiences, *The Cross and the Switchblade*. David had a vision about God’s judgment and the destruction of New York City that caused the charismatic and Pentecostal Christian world to be afraid.
    - Kenneth Hagin’s prophecy told of God’s love and mercy. He told of some things that must happen during the end times. God said judgment was coming, but not until the tribulation. God reminded the Church that He would protect and keep them. You can see videos and listen to audios of Kenneth E. Hagin on YouTube.
- II. God gave Adam a six-day workweek that defines what we know of history (Genesis 2:1-3) [See Chart in Appendix 1].
  - Since a day is as a thousand years, and a thousand years as a day, God gave man six days or six thousand years over the earth. The Jews have divided history into three, two-thousand year segments (Psalm 90:4, 2 Peter 3:8).
  - The first two thousand years were called the Days of Chaos.

- The next two thousand years were called the Days of the Torah (the Law).
- The last two thousand years are called the End of Days. We are at the last of the End of Days.
- After the six thousand years, a new age will come called the Millennial Reign of Christ.

III. The signs of the End of Days are occurring right now. There will be signs, visions and supernatural happenings we haven't seen before. We want to prepare you for this move of God and your part in it.

- Billye Brim has a book about prayer, *How You Can Pray in the End of Days*.
- Jesus is coming back for a glorious Church filled with power and moving in supernatural ability as was seen in the Church in the book of Acts (Ephesians 5:27).

Additional scripture: Acts 2:1-4; Romans 8:14; Ephesians 4:11; Acts 8:38-39, 2:16-21;  
Joel 2:28-32; 2 Corinthians 11:14

## MAKE IT PERSONAL

Read Joel 2:28-32 and Acts 2:16-21. Write what we can expect in the Church as the Holy Spirit moves as prophesied by Joel:

### DAY 2 – THE CHURCH—GOD'S SUPERNATURAL BODY

The Church is the supernatural Body of Christ where God's glory and presence should be seen. Without the glorious, supernatural presence of God, the Church is powerless.

#### STUDY IT

- I. God is a supernatural God. Jesus is the supernatural head of the Church. We are the supernatural body of Christ.
  - There are prophets in the Body of Christ who speak to us of supernatural things. One is Kenneth Copeland. Another was Kenneth E. Hagin. They didn't prophesy doom and gloom; they were speaking of a glorious Church.
  
- II. God revealed Himself to Israel as a supernatural God full of glory.
  - In Israel there are streams of water and there are large man-made cisterns to hold water.
  - Jeremiah rebuked the Jews saying they had left the living waters of God, and had made for themselves a substitute of cisterns that were broken and useless (Jeremiah 2:13).
  
- III. Brother Hagin preached a sermon called *Brass for Gold*, comparing the substitution of brass shields for gold ones to a Church trying to function without supernatural power.
  - The king of Egypt had threatened the king of Israel, so King Rehoboam gave him the golden shields King Solomon had made for the Israeli army (2 Chronicles 12:9-10).
  - To replace the shields, instead of gold, King Rehoboam ordered shields of brass to be made for the army.
  - Kenneth Hagin was making the point that we must not substitute anything for the presence of God, because anything else is inferior.
  
- IV. God delivered the Jews from Egypt with His power and led them with His glory.
  - Moses came down from Mt. Sinai and found the people were worshiping a golden calf they had built.
  - God told Moses that He would send an angel to lead the people to the Promised Land, because His holy presence would consume them (Exodus 32:31-33:15).

- Moses replied that without Your presence, we cannot go on. He asked that God show him His glory (Exodus 33:15-23).
- V. Jesus told the Church that if you continue in the way you are going, you'll lose the presence of God (Revelation 2-3).
- Without the glory of God, you'll be a counterfeit.
  - When people go to church, they should see the glory of God. The glory is the presence of the Lord manifested in a way you can see.
  - Kenneth Hagin said if we want to experience the glory of God, we have to prepare for it (from his book: *Plans, Purposes, Pursuits*).
  - Living in the End of Days means our natural life must be lived in God's presence and glory.

Additional scripture: Revelation 1:12-13

## MAKE IT PERSONAL

Make this confession every day:

*I pursue the glory of God. I want to see the signs, wonders, miracles and evidences of God's glory in the church I attend and throughout the world. I seek the presence of God, and He is here with me!*

### DAY 3 – SUPERNATURAL VISIONS

Miracles and visions are a sign of God's supernatural power working in the earth, and both are happening today. Since we are a part of Jesus' Body, the Church, our lives should be a testimony of God's miraculous power to the whole world.

### STUDY IT

- I. We can be witnesses to the world of God's supernatural power in the earth.
  - We, as believers, are in the supernatural Body of Christ, and our supernatural head is Jesus (Ephesians 1:22-23).
  
- II. Miracles are a sign of God's miraculous power.
  - The definition of *supernatural* from Noah Webster's 1828 Dictionary: "It is being beyond or exceeding the powers of laws of nature; miraculous. A supernatural event is one which is not produced according to the ordinary or established laws of natural things. Thus, if iron has more specific gravity than water, it will sink in that fluid and the floating of iron on water must be a supernatural event. Now, no human being can alter a law of nature; the floating of iron on water therefore must be caused by divine power especially exerted to suspend, in this instance, a law of nature. Hence supernatural events or miracles can be produced only by the immediate agency of divine power."
  - There are natural things which cannot be totally explained that are not actually miracles, like the birth of an offspring.
  - Kenneth E. Hagin defined a miracle as a "Divine intervention into the ordinary course of nature."
  - Noah Webster defined a miracle as "Literally, a wonder or wonderful thing. In theology, an event or effect contrary to the established course of things, a deviation from the known laws of nature, a supernatural event."
  - Miracles didn't stop with Jesus. The book of Acts records miracles.
  - Miracles can only be done by almighty power, as when Christ healed the sick.
  
- III. Our lives should be a supernatural witness of resurrection power.
  - There is coming a great outpouring of the power of God, and it will come through the Church.

- Jesus said if we believe in Him and ask in His Name, it shall be done (John 14:12-14).
- Believers prayed for God to stretch out His hand—the Church is God's hand, so we must be ready (Acts 4:29-31).
- God gave believers great power to be witnesses of the resurrection of the Lord (Acts 4:33).

IV. There are people in the earth now who are having supernatural visions.

- Billye Brim shares about a man named Muhanad whose parents were from Jordan. His wife was a Christian, and when she prayed for his business, it increased. When he prayed to Allah, nothing happened.
- In 2011, Muhanad heard an audible voice say, "Son, come to Me." It was Jesus, and He called him, "Son." Allah only calls his followers slaves. He accepted Jesus as His Lord and Savior, and changed his name to Max.
- Max continued to have visions, and he asked Billye Brim to judge the visions as to whether they were of God.
  - She gave him a scriptural warning that Satan can disguise himself as an angel of light (2 Corinthians 11:13-15).
  - She gave him a test that he could use to verify if the vision was from God. Ask the person speaking to you to say that Jesus Christ has come in the flesh. If so, that vision is from God (1 John 4:1-3).
- People will have visions in the last days. Expect them.

Additional scriptures: 2 Kings 6:1-7, *ESV*; Matthew 8:3; Mark 4:39, 6:52; Acts 2:22; Mark 16:15-18; Acts 2:16-18; Numbers 24:9

## MAKE IT PERSONAL

Jesus is calling all of us to receive Him as Lord and Savior. If you have not yet been born again, pray this prayer with us:

*Father in heaven, I believe that Jesus is the Son of God. I believe that He died and rose again to satisfy the punishment that I deserved. I receive Jesus as Savior and Lord now, and I am born again into Your family. I am now a child of God! Fill me with Your Holy Spirit. In Jesus' Name, Amen.*

### DAY 4 – SUPERNATURAL TRANSLATIONS

Since Jesus ascended to heaven, supernatural things have continued to happen to believers. Supernatural visions and translations (both physical and spiritual) continue to occur throughout the world.

### STUDY IT

- I. After Jesus ascended to heaven, supernatural things have continued to happen through believers.
  - Peter preached on the day of Pentecost and reminded the Jews of the prophecy of Joel (Acts 2:16-18).
  - The signs that the Spirit of God has been poured out are prophecies, visions, dreams, wonders and other supernatural happenings.
  
- II. Max, a former Muslim, who accepted Jesus as Lord, currently has supernatural visions.
  - Max had a vision several years ago about ISIS's plan to overthrow countries. Jesus told Max they would not be successful.
  - He asked Billye Brim to judge the visions to see if the visions were from God.
  - Billye Brim showed him in God's Word how to discern who is speaking, so he would know if the vision was from God, or not (2 Corinthians 11:13-15).
  - We can test the spirits to see if they acknowledge that Jesus has come in the flesh (1 John 4:1-3).
  
- III. Several people have reported translations (supernatural travel from one place to another).
  - Billye Brim and Shelli Baggett were translated when they were in Paris.
    - There was a transportation workers' strike, so everyone was driving a vehicle, and the roads were extremely congested. The taxi driver didn't think they would get to the airport in time to make their flight. But, it seemed the traffic opened to let them go through. The driver kept saying, "This is a miracle!" It was a miracle of translation.
  - Years ago, Shelli was at home raising her children. The devil kept telling her she was not doing the work of the Lord because she was not preaching as much as before.

She said to the Lord a statement Gloria Copeland used to say. "Lord, use me for Your glory."

- Suddenly she was in someone's home in Alabama. The man who lived there was shoveling ashes from the fireplace. His wife was on the couch, and her sister was making a pot of coffee. Shelli saw Jesus and asked what she was to do. Jesus said, "Pray," so she did. The people couldn't see her. After a while, she was back in her bed.
- A few months later, Shelli was at a meeting and a man spoke to her saying, "Do we know you? Have you been to Alabama?" It was the man she had seen at the fireplace.
- A lady came to Billye Brim to thank her for coming to the hospital to pray for her. She had stage four cancer. She said she saw Billye and Gloria Copeland come and pray for her. She began to get better from that time forward. Billye and Gloria had no knowledge of being there.
  - This was not a physical translation, but a translation in the Spirit.
  - Often Gloria will pray, "Lord, if You want to use me anywhere in the world tonight, go ahead."
- A lady received an anointed handkerchief from Brother Hagin for her brother who was sick because of alcoholism. Soon, he was healed and delivered. The brother reported that he saw Kenneth Hagin come and pray for him to be delivered. Brother Hagin had no knowledge that he had been translated in the spirit (Acts 19:11-12).

Additional scriptures: 1 Timothy 2:1-2; John 16:13; Acts 8:5-8, 26-40; Isaiah 53;  
John 6:16-21

## MAKE IT PERSONAL

Adopt Gloria Copeland's confession as your own:

*Lord, if You want to use me anywhere in the world, I'm ready! I'm ready to be translated in the body or in the Spirit. I submit myself to do Your will.*

### DAY 5 – TRANSLATIONS IN THE SPIRIT

Many prophecies have been spoken about the coming supernatural move of God and when it occurs the Church will display God's glory like never before. When believers come together, the supernatural gifts of God will be evident. Even now, numerous supernatural translations have been recorded.

### STUDY IT

- I. The supernatural move of God has been prophesied many times, and when it comes, the supernatural Church will display God's glory, presence and supernatural power.
  - Signs, wonders and miracles will be commonplace. The church building will look like it's on fire.
  - The church buildings will not be large enough to hold all the people who want to be in this supernatural move of God.
  - The maimed will be healed, and missing limbs will be supernaturally restored.
  
- II. Numerous supernatural translations, or travel from one place to another, have been recorded.
  - Shelli's husband's grandmother, Elsie Ford, was a praying woman and was waiting for one more answer to prayer before she died. David Ingles, a Christian singer, was translated in the spirit to her room to sing to her.
    - Jeanne Wilkerson also told Billye Brim that David came to her in her hospital in the spirit and sang to her. Both ladies passed on to heaven very soon after.
  - Billye Brim and Shelli used to travel to Russia during the time of the KGB. They would take ink to a man who was printing Christian materials. God would translate this man all over Russia to preach. He didn't have any transportation—the Holy Spirit would simply translate him to another place.
    - Billye Brim got enough money to get him a car. He was not happy because he didn't know how to drive it or maintain it, and the translations had stopped. He wanted Billye to take the car back. He preferred to travel supernaturally.
  - From the book, *John G. Lake: His Life, His Sermons, His Boldness of Faith*, there is an account of a supernatural translation.
    - Brother Lake was involved in a revival at his church in Johannesburg, South Africa. During pre-service prayer, a lady asked that they pray for her cousin in Wales who was in an insane asylum.

- John G. Lake felt a powerful spirit of prayer in the room, on him and others. Suddenly, he found himself out of his body traveling in the atmosphere over cities, countryside, water, and then over Spain, into Wales. He first saw a city and then the building of the asylum. He arrived in a patient's room who was restrained to keep her from hurting herself and others.
- Brother Lake laid hands on her and commanded in the Name of Jesus Christ, the Son of God, that the demon who was tormenting her must leave and for her to be healed. She was immediately delivered. John Lake quickly found himself back in the church service. Several weeks later the lady received a letter announcing that her cousin was healed; the doctors had no explanation.
- Al Wheeler, an oil businessman in Oklahoma, had several experiences of translation.
  - One time he was sitting in his room, and he was instantly translated to Uganda, Africa. He walked through the jungle to a village where he saw a young boy who was being beaten and trained to be a shaman. This whole village was full of witchcraft. Brother Wheeler preached the gospel of Jesus Christ to the boy and the man beating him. Then, he walked back into the jungle and was immediately back in his room with mud on his boots.
    - He had the mud on his boots tested, and it was determined that the mud was from Uganda.
    - Several years later, a young man spoke to Brother Wheeler and said "I know you. You're the one who came walking out of the jungle and told us about Jesus. I followed you to find out how you had gotten there. But, you disappeared."
    - The boy was born again and became a minister of Jesus Christ.

III. When believers come together, the supernatural gifts of God should be in operation (1 Corinthians 12:26).

- In the move of God that's coming, we have to know how to get into the Spirit and how to cooperate with the Spirit of God.
- As these supernatural events occur, we want to be safe as we follow the Spirit of God. So, test the spirits to see whether they are from God, or not (1 John 4:1-3).
