## DAY 1 – GET HEALED, STAY HEALED

The WORD of God is alive, and Jesus is His Name. God never changes. If Jesus ever healed one time, then He heals forever. It's important to not only get healed, but also to stay healed. In the Old Testament, healing was part of THE BLESSING.

## STUDY IT

- I. The WORD of God is alive, and Jesus is His Name.
  - We speak these scriptures to build our faith:
    - “Greater is he that is in you, than he that is in the world” (1 John 4:4).
    - “But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you” (Romans 8:11).
    - Keep The WORD of God before your eyes and in your heart and attend to His WORD (see Proverbs 4:20).
    - “Jesus Christ the same yesterday, and today, and forever” (Hebrews 13:8)!
- II. God never changes. If Jesus ever healed one time, then He heals forever.
  - One of the seven redemptive Names of God is *Jehovah Rapha*—“The LORD that healeth thee” (Exodus 15:26).
  - God wants to give the world everlasting life through Jesus (John 3:16).
    - Salvation and healing belong to anyone in the world because Jesus is available to the world (Romans 10:9-10).
    - *Saved* is the Greek word *sozo* which means “to save; to keep safe and sound; to rescue from danger or destruction, from injury or peril; to save a suffering one from perishing, one suffering from disease; to make well; to heal; to restore to health”—it’s all in the same package.
  - As far as God is concerned you are healed when you are saved.
  - Jesus bore our griefs and sorrows; those can be translated as sicknesses and pains (Isaiah 53:4-5).
- III. It’s important to not only get healed, but also to stay healed.
  - Our healing is in our belief and our words.

- Brother Copeland looks in the mirror every morning and says, "Surely Jesus bore our sicknesses and carried our pains. But He was wounded for our transgressions, He was bruised for our iniquities: the chastisement of our peace was upon Him; and with His stripes Gloria and I are healed."
- Jesus bore our sins on His own body on the tree that we being dead to sins should live unto righteousness: by His stripes we are healed (1 Peter 2:24).
- Pray the Scripture and know that you are praying God's will.
- Look up healing scriptures; put your eyes on them; they will keep you healed and well.

IV. In the Old Testament, healing was part of THE BLESSING.

- Moses wrote a warning: "Moreover all these curses shall come upon thee... because thou hearkenedst not unto the voice of the LORD thy God, to keep His commandments and His statutes which he commanded thee" (Deuteronomy 28:45).
  - Angels are sent to lead and protect you (Hebrews 1:14).
- Angels will bless your bread and water; "and I will take sickness away from the midst of thee. There shall nothing cast their young, nor be barren, in thy land: the number of thy days I will fulfil" (Exodus 23:25-26).
- Long life (120 years) is a healing promise (Genesis 6:3).
- The entire First Covenant is about Jesus and us.
  - Anything that's about Jesus is about you and your family's welfare, health and strength for your bodies; and it's peace for a worried mind.
  - We have not been given a spirit of fear; but of power, love and a sound mind (2 Timothy 1:7).

## MAKE IT PERSONAL

Pray with us:

*Father God, I first of all want to thank You for healing me, spirit, soul and body. I have received Your healing power.*

*Now, Father, as I read and study Your WORD, teach me to keep my healing. Help me continually to thank and praise You for Your love and power in my life.*

*Help me increase in faith, that when attacks come against my healing, I will be able to withstand the attack, and triumph with a sound mind and body.*

*Thank You, Sir. In Jesus' Name I pray. Amen.*

### DAY 2 – THE POWER OF PSALM 91 FOR PROTECTION AND HEALING

The words of your mouth are very important for your preservation and protection. Pray for protection based on Psalm 91 every time you get in the car, public transportation or an airplane. The Father declares His motive for helping you. When you sin, cry out to God and He will save you from distress. God is no respecter of persons.

#### STUDY IT

- I. The words of your mouth are very important for your preservation and protection.
  - God is everything—our complete and total supply.
  - Psalm 91 is about a man (you), Jesus and the Father.
  - There shall no evil befall you, neither shall any plague (neither shall any COVID-19) come nigh your dwelling.
    - Neither shall cancer, tuberculosis, back pain, spinal stenosis, liver disease, heart trouble, heart disease, heart attacks come nigh your dwelling.
- II. Pray for protection based on Psalm 91 every time you get in the car, public transportation or an airplane.
  - Every time Brother Copeland gets in the airplane, he prays, “Father, in the Name of The LORD Jesus Christ, I plead the blood over this airplane today for protection against every evil spirit, person or thing; and the plan of the devil is bound, stopped and thwarted. Ministering angels, lift us up in your hands lest we dash our foot against a stone. Keep us in all of our ways according to Psalm 91, and bless our Partners beyond measure in the Name of Jesus” (see Psalm 91:9-12).
- III. The Father declares His motive for helping us.
  - Substitute your name for Brother Copeland’s name.
    - The Father speaks, “Jesus, because Kenneth has set his love on me, therefore will I deliver him. I will set him on high because he has known My Name. He will call upon Me, and I will deliver him, I will be with him and Gloria in

trouble. I will deliver Kenneth and Gloria and honor them. And with long life will I satisfy them and show them My salvation" (see Psalm 91:14-16).

- Brother Copeland prays: "Father, I place my love upon You this morning. You're with me in times of trouble. I know You show me Your salvation. My angels are on duty. Jesus and the power of God are living on the inside of me. My Father watches over me!"

IV. When you sin, cry out to God and He will save you from distress (Psalm 107:17-20).

- No matter what kind of mess you've gotten yourself into—repent, then forget it.
- He sent His WORD, and His Name is Jesus! Praise and worship the living God.
- It's the devil who robs you of your health (Psalm 119:61-62).
- God is good and He does good. His law is good (Psalm 119:68). He's the Healer, the Financier. Jesus is the same yesterday, today and forever (Hebrews 13:8).

V. "God is no respecter of persons" (Acts 10:34).

- What God does for one, He will do for you.
- Jesus was Anointed with power and the Holy Spirit and He went about doing good and healing (Acts 10:38).
  - It was God who was with Him.
  - The same God is in and on you. You can do what Jesus did.
  - Whether or not you're called into the fivefold ministry, you can do what Jesus did in your workplace, school, college and high school.
- Stay prayed up all the time and ready to teach, preach and heal like Jesus, because you're anointed.

VI. Brother Copeland called out miracles.

- Someone was just healed in the throat, particularly high up in the throat. Someone had a trach put in and there was a problem. It was painful and not working right.
  - Your throat is being healed now. You will be able to swallow.
- Someone has just been healed on the backside of your shoulder. You've had a form of bursitis, but it's being healed right now.
  - Move that arm around. Say: "I call my shoulder well. I call things that be not as though they were (Romans 4:17), and I call my shoulder well." Act on your faith.
- Someone had pain and stiffness in the small of their back. Act on The WORD and receive your healing. Touch your toes.
- Thank You, Jesus!

## MAKE IT PERSONAL

Psalm 91 contains wonderful promises that pertain to many of the circumstances you face. Write four or more of the promises here; believe them, speak them and receive them into your life every day!

### DAY 3 – JESUS IS THE HEALER—YESTERDAY, TODAY AND FOREVER

Let's spend the day with Jesus because He is the same yesterday, today and forever. When the man with the unclean spirit saw Jesus, he ran and worshipped Him. Today, Jesus will heal you.

#### STUDY IT

- I. Let's spend the day with Jesus because He is the same yesterday, today and forever.
  - Jesus came to the country of the Gadarenes, and a man with an unclean spirit ran to Him and worshipped Jesus (Mark 5:1-6).
  - This man was possessed by one spirit, a ruler of darkness.
  
- II. There is an order of power in the devil's realm.
  - They are listed from weakest to strongest (Ephesians 6:12).
  - Daniel fasted and prayed for three weeks (Daniel 10:3).
  - Finally, the angel Gabriel came in answer to his prayers. He was delayed because he had to battle through the spirit of wickedness in high places. The angel Michael helped and they broke through to Daniel (Daniel 10:12-13).
  
- III. When the man with the unclean spirit saw Jesus, he ran and worshipped Him.
  - The man dwelling in the tombs was a cutter.
  - The man was weak, but the demonic spirit possessing him was strong enough to break chains.
    - Anyone who cuts and mutilates yourself, be delivered today. I bind that cutting spirit. Take your hands off of God's property, immediately. Be delivered, today, and even the scars on your body be removed.
    - Say it: "I am free, now and forevermore!"
    - Anyone bound in drugs, alcohol, pornography or any other work of the devil; you are free today. I announce your freedom by the blood of the Lamb and by the Name of The LORD Jesus Christ.

IV. Jesus commanded the spirit to come out of him.

- The demon, not the man, said, "What have I to do with You, Jesus? Don't send us from this country. Let us enter the swine."
- Jews, who cannot eat pork as commanded by Mosaic law, were raising pigs in that country to feed the Roman soldiers.
  - When the demons went into the swine (there were about 2,000 pigs), the pigs went crazy, ran off a cliff and drowned in the sea.
  - The people raising the swine were angry and told Jesus to leave!
- The man who was now fully delivered, clothed and in his right mind, wanted to travel with Jesus.
  - Jesus had compassion on him and told him to go throughout the country testifying how God had compassion on him.
  - You need to preach love and compassion too.
- If there was a man the devil could stop from worshipping Jesus, it would have been this man.
  - He was possessed by one evil spirit, but he was continually tormented by at least 2,000 demons.
  - Still, the devil could not stop this man from worshipping Jesus.
- The man was delivered. Love casts out fear (1 John 4:18).

V. Jairus met Jesus when He got off the ship.

- He said, "Come lay your hands on my daughter that she may be healed and shall live" (Mark 5:22-23).
  - Next, there was a woman who had had a bleeding condition for 12 years. She touched the hem of Jesus' garment expecting to be made whole.
  - She didn't feel it and then believe; she already believed it.
  - She had already said what she believed and she *kept* saying it. Then with corresponding action she moved into the street to touch Jesus.
  - Jesus knew healing power had left Him, and she testified to her healing.
  - Jesus then said to her, "Daughter, your faith has made you whole; go in peace and be whole of that plague" (Mark 5:34)!

VI. Today, Jesus will heal you.

- Someone has stomach pains in their lower abdomen. In the Name of Jesus, take your hands off that person, satan. Get out right now! Leave! In the Name of Jesus!
- As you receive your healing today, believe it in your heart, say it with your mouth, and act on it.
- Put corresponding action to your faith. As James said, "Faith without action is dead" (see James 2:20).
- Testify to your healing!

## MAKE IT PERSONAL

Pray this prayer of dedication:

*Jesus, Your days on the earth were filled with doing good, preaching and healing all who were oppressed by the devil (Acts 10:38). I want to be like You, Jesus. I want to be an example on the earth of Your love and power. Help me, Lord Jesus, to demonstrate how to use faith, so that others can live the abundant life in You. I pray this in Jesus' Name. Amen.*

### DAY 4 – WHEN FAITH RISES, HEALING FLOWS

The woman with the issue of blood allowed her faith in the healing power of Jesus to rise. Candy LaFlora, a psalmist, received a miraculous healing. Jerry Savelle has a magnificent testimony of divine healing.

### STUDY IT

- I. The woman with the issue of blood allowed her faith in the healing power of Jesus to rise (Mark 5:25-34).
  - She had been sick for 12 years!
  - When she knew she was healed, she testified to Jesus.
  - Jairus was listening to the woman testify when the death messenger came and said his daughter was dead.
    - Jairus' faith had risen as he listened to the woman. He only spoke what he believed.
    - Jesus said to him, "Don't be afraid, only believe."
    - Jesus only let Peter (the bold disciple), James and John (disciples of love) in to pray for Jairus' daughter.
    - Jesus laid hands on her, and the damsel arose and walked.
  - That's just a day in the life of Jesus.
  - Jesus is here and He's with you. His healing flow is ready to operate in your life right now.
  
- II. Candy LaFlora, a psalmist, received a miraculous healing.
  - Candy who sings with the Kenneth Copeland Ministries' praise team, had popping sounds in her ear.
  - She was diagnosed with inner and outer ear infections. There was a hole in her eardrum, and she needed surgery.
  - Candy's first words were, "I'm healed." First words count.
    - Keep putting faith in your heart when everything is fine; then when the attack comes, your faith will rise and speak.
  - Candy was prayed for in a healing service with Brother Copeland and Richard Roberts.
  - She went back to the doctor and the hole was still in her eardrum.

- She received medical treatments, but her confession didn't change: "The Lord said my hearing is complete, and the hole is completely healed."
  - When you've made a determination and you've put faith in it, don't turn off the switch of faith.
  - Stay steady with what God has promised.
- Candy told the doctor, "When I come back in a few months, the hole will be completely gone, and I will be completely healed."
- When she returned to the doctor, he confirmed, "You don't need surgery." She was completely healed!

III. Jerry Savelle has a magnificent testimony of divine healing.

- At the recommendation of a physician, he had surgery to remove plaque from his arteries.
- During the surgery, he had a stroke and lost his memory. He didn't know his wife or children, and he lost total use of his right arm and leg.
  - The biblical account of the woman with the issue of blood became more real to him.
  - Brother Jerry couldn't talk, but he had faith in his heart. He knew he would be made whole.
  - He went home and the healing and recovery started immediately.
- Brother Jerry went to his car "museum," determined to start every vehicle in there. With the paralysis in his arm and leg it was very difficult to make the older vehicles start, but he did it.
  - As he left the garage, he took the keys to the door, and with his right hand, locked the garage.
  - Immediately, his arm, leg, speech and memory were normal.
- Jerry Savelle was totally restored.
- The first scripture he remembered was, "The memory of the upright is blessed" (Proverbs 10:7).
- Within two weeks, Brother Jerry was traveling around the world preaching three services a day in four different nations!
- Praise God! What a miracle!

### DAY 5 – BELIEVE YOUR COVENANT PROMISE OF HEALING

Today as you listen to this teaching and study these notes, you are involved in Healing School. Christians need to be covenant minded all the time. Take communion seriously. God's presence is in and on you all the time, whether you feel it or not. Abraham and Sarah believed that what God said would override the circumstances.

### STUDY IT

- I. Today as you listen to the teaching and study these notes, you are involved in Healing School.
  - The presence of The LORD Jesus is here wherever you are. Miracles will be done here in the Name of Jesus.
  - Praise and honor Jesus. Miraculous things happen when you praise.
  - Bishop David Oyedepo in Lagos, Nigeria, said, "When we pray, we enter into God's presence; when we praise, He enters into ours, for He inhabits the praises of His people."
  - There's healing in praise. Don't wait to praise Him—continually praise The LORD.
  
- II. Christians need to be covenant-minded all the time (Ephesians 2:11-12).
  - People use agreements and contracts in business.
    - If there's a question, they go back to the contract—which is a covenant.
    - You might break a contract, but you cannot break a covenant ratified in blood.
  - The Bible is a covenant. It is the answer to everything.
  - God is in covenant with you, not the other way around. There's blood between God and you. The covenant can never be changed. It is forever.
    - You have a covenant of healing, salvation, deliverance, guidance, leadership, help and prosperity.
  - God's WORD and God are exactly the same. His Name can do anything His WORD can do.

- The Jews had the covenant of promise from their father, Abraham.
    - A gentile is someone without a covenant with God, but you are no longer a gentile because you have accepted Jesus as your LORD and Savior.
    - A covenant promise is an unbreakable promise.
    - Jesus, by covenant, is the Greater One, your Standby, Advocate, Comforter, Intercessor, Strengthener and Healer.
- III. Take Communion seriously.
- “This is My body which is broken for you; this is My blood in the new covenant. All of you, drink from it” (see Luke 22:19-20).
  - Brother Copeland receives Communion almost every day to announce his participation in the covenant.
    - You don’t just have to do it at church. Jesus said, “As often as you do it....”
    - Brother Copeland prays like this over Communion. “Jesus’ body was broken for me. My healing is in what Jesus’ sacrifice did for me. My sins are forgiven, and I’ve been brought close to God in the blood of the covenant.”
  - Smith Wigglesworth, 1859-1947, was one of the greatest men of faith in his time. There are documented cases of many people being raised from the dead and miracles were performed as he prayed in faith believing.
    - He received Communion every day.
    - He was acutely aware of his place as a minister and that Almighty God was living in him and working through him.
- IV. God’s presence is in and on you all the time, whether you feel it or not.
- Engage your faith—the struggle is over.
    - It’s like having difficulty piloting an airplane. Engage the autopilot. Call on Jesus.
  - God knows more about your situation than you do. He’s already got it all in hand. Roll all the care of this mess over on Him.
  - Don’t carry cares, worries or anxieties. Cast them all over on Him (1 Peter 5:6-10). Praise God! Don’t allow fear to inhabit your thought life.
- V. Abraham and Sarah believed that what God said would override the circumstances (Romans 4:1, 16-20).
- The covenant says one thing and all the evidence is contrary to it.
    - The covenant says you’re healed, and your body says something else.
    - There’s a contradiction between your body and the covenant.
    - Believe the covenant every time!
    - What’s happening in your body are facts, but the covenant will change those facts and it’ll do it today.

- Abraham found the key to life: It's in the covenant with the Almighty God.
- When you hear the word *promise*, your antenna should go up! The covenant promise is sure to all the descendants of Abraham who believe.
- Abraham called those things which be not as though they were (Romans 4:17).
  - He didn't stagger at the promise of God through unbelief. God's promise was an absolute contradiction to everything that was happening around him.
  - He didn't struggle, because he was in blood covenant with God. There was no way God would not keep His WORD. The struggle was over.
  - Abraham's body was dead; Sarah's body was dead. Their physical conditions were an absolute contradiction to what God promised. Yet they still received the impossible—a child.
- God's covenant and the power of Jesus' blood will change anything, if you believe!
