### DAY I – YOU'RE SUPPOSED TO BE HEALED TODAY

God's WORD "is"—whatever you need Him to be. You're not supposed to be sick. Receive God's covenant gift of healing.

#### STUDY IT

- I. God's WORD "is"—whatever you need Him to be.
  - Make this declaration: "I'm supposed to be healed today. I am the healed, and I take it today. Jesus bought it. Jesus paid for it. It's mine!"
  - Jesus said, "Whosoever believes in him [God] should not perish, but have everlasting life" (John 3:16).
  - *Zoe* life is healing, as well as deliverance from calamity and danger. It's translated "saved."
  - The religious mind thinks, "Yeah, but what if..."
    - That's the badge of unbelief: believing something other than the Bible and the will of God.
  - Faith begins where the will of God is known. When you realize that Jesus is the Healer, Jesus is the Savior, Jesus is God's gift to the world—unbelief leaves.
- II. You're not supposed to be sick.
  - You're not even supposed to die. You and I have done all the dying we're ever going to do when we died with Christ.
  - Brother Copeland died to himself on Nov. 2, 1962, and he was born again in Christ.
  - You can be born again today. All you have to do is ask Jesus to save you.
    - It's just like Mrs. Taggart, Brother Copeland's Sunday school teacher, said: "Boys, you have to ask Jesus to come into your heart."
  - Gloria Copeland was born again when she said, "LORD, take my life and do something with it."
- III. Receive God's gift.
  - "God so loved that He gave" (see John 3:16).
  - God gave the most precious gift He had—Jesus. Receive God's gift.

- Start your day by speaking The WORD over you and your family.
- “According to your faith be it unto you” (Matthew 9:29).
- If you believe it, it’s yours.

## MAKE IT PERSONAL

Pray with us:

*Father, in the Name of Jesus, I believe You want me healed in every area of my life. I humble myself before You and repent of my sin. I forgive those who have wronged me. I ask, believe and receive my healing now, in Jesus' Name. Thank You, Sir!*

### DAY 2 – HEALING IS WORKING RIGHT NOW

Divine healing is for every man, woman and child. The WORD of God in a believing heart is the open door for healing, and it's working right now!

### STUDY IT

- I. Divine healing is for every man, woman and child.
  - Jesus suffered for us all. It's by His stripes that we are healed (Isaiah 53:4-5)! Healing belongs to every Christian.
  - Healing belongs to you more than your own car, your own child, your own father or mother. Healing belongs to you right now.
  - Some say, "I don't know whether it's God's will for me to be healed or not."
  - It is God's will for you to be healed! However, not everyone is willing to receive healing.
  
- II. The WORD of God in a believing heart is the open door for healing.
  - Newborn babies (new, baby Christians) desire the milk of The WORD to grow (1 Peter 2:2).
  - Today, we're doing more than drinking the sincere *milk* of The WORD; we're enjoying the sincere *meat* of The WORD.
  - There are different healing methods to receive from Jesus: laying on of hands; anointing with oil; hearing God's still, small voice, or His peaceful voice or authoritative voice.
  - Saul of Tarsus prayed one word—"LORD," and he was born again.
  
- III. Faith comes by hearing and hearing by The WORD of God. Healing is in God's WORD.
  - Hearing a testimony doesn't bring faith—it inspires you and makes room for more faith.
  - LaShae McKinney was healed by hearing, speaking and believing God's WORD over and over every day for 28 days.
    - Now, LaShae, the woman who had 30 days to live, is healed, has moved to Fort Worth, attends Eagle Mountain International Church and is enrolled in Kenneth Copeland Bible College®.

- LaShae believed God's WORD like the woman who had an issue of blood (Matthew 9:20-22). She believed The WORD and didn't let go.
- God sent His WORD and healed her.

IV. Healing is working right now!

- This is the prescription for God's medicine: "My son, attend to my words" (Proverbs 4:20-21).
  - That means we should put God's WORD first. Give it priority—final authority.
  - It's more important than anything else you can do. "Incline your ear unto my sayings."
  - What He says is right and true; and He Himself is right. "Let them not depart from your eyes."
- You need to get the Scripture in your eyes, ears and heart, because what you look at the most gets into your heart.

## MAKE IT PERSONAL

God's WORD has the power to heal you! You can be healed by reading God's WORD yourself, or by hearing it preached. Romans 10:17 promises us that faith comes when we hear God's WORD.

Allow faith to come into your heart as you hear The WORD. Be confident, like the woman with the issue of blood, or like LaShae McKinney, that God will heal you!

Write your declaration of your faith in God to be healed:

### DAY 3 – GOD SAYS YOU'RE HEALED

Jesus suffered and provided healing for us all. A Muslim man was desperately seeking God, and he did—he found the Almighty God. Joan Green believed God wanted to heal her—and she was healed. Jesus has done all that's necessary for our healing.

### STUDY IT

- I. Jesus suffered and provided healing for us all.
  - “By His stripes we were healed” (1 Peter 2:24). That’s for every Christian. Healing belongs to every born-again believer on this planet.
  - People have said, “We just never know what God is going to do.” Yes, we do! We know exactly what He did. We know for whom He did it—the whole world.
  - God so loved the world that He gave Jesus, the Healer.
  - Jesus belongs to every Muslim, Hindu, everyone who’s homeless, drunk and full of dope. Jesus belongs to them, if they only knew it.
  
- II. A Muslim man was desperately seeking God. He realized his religion was not working.
  - Jesus revealed Himself to the man as the true God.
  - The man continued to go to the mosque five times a day, but instead of praying the Muslim way, he was praying to God Almighty. He was praying in the spirit and praying for everyone around him.
  - Eventually he became sick, and on his deathbed, Jesus appeared to him. Jesus came to heal him and told him where to go to church.
  - That man is a powerhouse for Christ Jesus today.
  
- III. Joan Green was watching the Eagle Mountain International Church service on television.
  - She believed if she came to the service where Billy Burke was ministering miracles, she would be healed of diseases she had for 12 years.

- When she and her husband arrived, she had to be carried out of the car and put in her wheelchair.
  - As the Rev. Burke was ministering to Joan, she started to get feeling in her fingers and toes. She got up, began to walk, began to run, climbed the stairs of the platform, sat down at the keyboard and began to play. Before her illness, she had been a concert pianist.
  - She's still healed and well today. Her experience was a manifestation of the working of miracles and gifts of healings.
- IV. Jesus has done all that's necessary for our healing.
- Jesus would not put on you the very thing He went to hell and suffered to deliver you from—your sickness.
  - Brother Copeland's daughter Kellie had symptoms of the flu when she was in school. Brother Copeland told her, "You're not the sick trying to get healed—you're the healed, and the devil is trying to take your health away from you." Her symptoms left, and she was healed.
  - The late Rev. John Osteen said, "The devil was going down the street and told his demons, 'You can go into that house and that house, but don't go in there! There's a woman in there who will kick the daylights out of you!'"
  - Don't use the work of the devil to express how you feel. Don't say, "I'm dying to go," or, "My feet are killing me."
  - Say that you are well and healed. If Jesus says you're healed, you're healed!

## MAKE IT PERSONAL

Follow these steps to get your healing:

Step 1: Believe that God loves you. (1 John 4:8)

Step 2: Believe that God can heal in this day and time. (Mark 16:18b)

Step 3: Believe that God wants to heal *you!* (Matthew 8:2)

Step 4: Receive and take your healing by announcing your belief. (Luke 7:7b)

Step 5: Do something you couldn't do before that shows you are healed! (Acts 3:8)

Step 6: Thank God every day for your healing!

### DAY 4 – THE HEALING GLORY IS HERE

Healing belongs to every born-again believer. Put God's WORD first in your life. Healing is available to you wherever you are—release your faith!

### STUDY IT

- I. Healing belongs to every born-again believer. "By Jesus' stripes, we were healed" (1 Peter 2:24).
  - There are 19 different healings recorded in Matthew, Mark, Luke and John.
    - Anyone who will do the things written about in these healings can receive healing like the people in the Bible received it.
  - The Rev. Keith Moore was ministering to a man on his deathbed.
    - Keith asked him, "Can you believe that you'll be better tomorrow than you are today?" The man agreed.
    - They had that same conversation for several days, and the man continued to improve.
    - One day, Keith came to see him, and the man had gotten well and gone home!
- II. Attend to God's WORD; put it first; it is final authority.
  - God's WORD is more important than anything else. If He says you're healed, then you're healed!
  - If you are in Christ, then you are Abraham's seed and an heir according to God's promise (see Galatians 3:29). Give Jesus thanks for the position of heir He has given you.
- III. God is doing miracles right now.
  - Someone's ears just popped open; sinus problems are being healed, particularly in his or her nose. Kidneys are being healed; kidney stones are melting right now. The spine in someone's neck is being healed. Spinal stenosis is being cleared up, and an elbow that was inflamed is healed.
  - Announce that your body parts are well.
    - Speak it! Call your elbow well, call your back well; also your knees, feet, kidneys, bladder, stomach, intestines, thighs and eyes—call them well.

- “Bald spots, I call you gone! Hair, grow!”
- Around the bridge of the nose, that sinus condition you’ve had: It’s gone.

IV. Healing is happening. Healing is wherever you are!

- Put your hands on your lungs and shout this confession: “In Jesus’ Name, COVID-19, I curse you. Get out of my lungs, get out of my body, I am not sick, I am the healed. The devil is trying to take my health away from me! You can’t have it, principalities, powers or rulers of the darkness! I walk in the light as Jesus is in the light. Get out of here, spirit of death! How dare you to even attempt to touch this temple of the living God!”
- If you have watched the 700 Club, you’ve heard them talk about the main part of your health is in the gut. Beginning around Thanksgiving when you eat too much, especially extra sugar, your immune system is compromised. That’s why the flu infects so many people after the holidays.
  - When the flu tried to come on Brother Copeland, he took his faith and stopped it in about 15 minutes.

V. Faith is an act. Faith is corresponding action. Faith is acting on The WORD.

- Abraham put corresponding action to his faith, and he received the promises.
- Faith is the substance of things hoped for and this is the way it works.
  - Hope comes up on the inside of you. Faith grows to the point that you’re no longer afraid of that pain. Sickness and fear have no place in you anymore.
- Healing is now!

### MAKE IT PERSONAL

Healing does belong to you, no matter if the problem is physical, mental or emotional. Write down any issues you need God to fix, and expect His healing power to work for you!

### DAY 5 – SHOUT YOUR VICTORY FOR HEALING

God is doing miracles; He is the Healer. Walk in the full armor of God all the time. Shout the victory!

#### STUDY IT

- I. God is doing miracles!
  - All of the “itis” brothers have to go—arthr-itis, burs-itis—be healed!
  - God wants to heal chronic asthma.
  - When Brother Copeland was a little boy, he had serious asthma, and his mother prayed for his healing.
    - She had purchased a new set of aluminum cookware. She heard The LORD say, *Get rid of that aluminum cookware. Bury it in the backyard.*
    - She did and after a time there was a large, gray-black circle where the ground had leached that aluminum out.
    - Brother Copeland was allergic to that aluminum. God showed his mother the source of his asthma, she obeyed, and it was gone.
  - Every sickness, disease or allergy has a deliverance that works 100% of the time.
- II. God is the Healer.
  - Someone has been having some bad dreams. Just laugh, take authority and say, “You don’t touch me, whether I’m awake or asleep. Get away from me now!” That’s all you have to do, if you believe it.
  - The glory is here. All kinds of throat problems, sore throat, strep throat, are healed.
  - Get that COVID-19 thing out of your mind. Refuse it!
  - People may say, “Well, you’re in denial.” We don’t deny the sickness. We deny its right to exist in our bodies.
- III. Walk in the full armor of God all the time (Ephesians 6:13-18).
  - An important part of the armor is the helmet. Put that face shield up.
    - Now the devil doesn’t know whether that’s God in there, or you.

- Don't let anything but faith come out of your mouth. Say, "I'm healed. I'm well."
  - Another part of the armor is the sword. It is The WORD of God.
  - Let God's WORD fight its own fight. The devil says, "You are not healed. You've got COVID-19." NO!
  - Refuse the devil and his lies.
  - Get an awareness of the presence and power of the Spirit of God, and never take off your armor.
- IV. A woman who had been healed of lung cancer, discovered the cancer had come back.
- Brother Copeland reminded her that she is a covenant woman; she's not allowed to have cancer.
    - She replied confidently. "I have a covenant with God. It's a covenant of healing. I am a covenant woman! I'm a blood-covenant believer, and I'm healed!" And she was!
  - Raise your hands and give God a praise beyond any praise you have ever praised in your life!
  - Shout the shout of victory! Shout the shout of deliverance. Shout the shout of the power of God!
