

# Wired for Greatness

An InstaBook by  
Dean Sikes

*Do you see yourself as God sees you?*

That's a question I ask teenagers every time I speak in a school.

I ask it for one simple reason: Years ago, the Holy Spirit led me to do so.

The Holy Spirit took me to the book of Judges and instructed me to read about the life of Gideon.

God saw Gideon's potential as a great leader long before Gideon recognized it.

“The Angel of the Lord appeared to him, and said to him, ‘The Lord is with you, you mighty man of valor!’” (Judges 6:12, *NKJV*).

The situation is no different  
for you or anyone in this  
generation of young leaders I  
meet every week on the road.

The potential you have is  
already deposited in your heart.  
*You are wired for greatness.*

Here's the deal though: The charge to you is the same one that Gideon received.

When you look in the mirror, you're going to have to see and believe what *God* sees and what *God* believes.

When you do, that's when you'll be able to do all you're called to do for Him.

Here's something I'm learning after decades of working for God:

- He knows exactly *who* He wants to carry out His plan,
- He knows exactly *what* He wants accomplished, and
- He knows *when* He wants to accomplish it.

Our responsibility? To trust and obey.

Get to know who you are in Him  
because you're wired for greatness.  
That's why you matter.
