

# Jesus Is Your Everything

An InstaBook by

No matter what season of life you are in, Jesus wants to be your everything.

You may be newly married, recently divorced or just remarried. Or perhaps you are building your career, adjusting to an empty nest, widowed for several years or experiencing some other season.

Jesus still wants to be your everything.

Hebrews 12:2 (*NLT*) says, “We do this by keeping our eyes on Jesus, the champion who initiates and perfects our faith.”

Every answer you need to every question you have is in Him.

Making Jesus your everything requires faith. It's not enough to simply believe in Him. You must believe Him *for everything*.

Faith comes by hearing and studying the Word of God, and putting it in your heart and mind.

It comes by spending quality time with God and seeing His faithfulness time and again.

No matter what season of life you are in, allow Jesus to be everything you need Him to be.

Come to Him in faith, and decide that your answer to whatever you need today can be found in Him.

He won't let you down!
