

How to Make 2020 Your Best Year EVER

An InstaBook by
Terri Savelle Foy

Helen Keller, blind and deaf, was once asked what could be worse than having no sight. She replied, “To have sight, but to have no vision.”

It's vitally important that you have a vision for your life.

Imagine that it's pouring down rain outside. You jump in your car, and it starts immediately.

Everything is working...except one thing: your windshield wipers. Guess what? You're not going anywhere.

As long as your vision is impaired, you're going to stay where you are.

It's the same with life.

Do you want 2020 to be a repeat of last year...or are you ready to move forward?

The Bible is clear that “where there is no vision, the people perish” (Proverbs 29:18, *KJV*).

If you don't have something you're moving toward, you're dying. It's time to change that!

God has so much for your life, but you need to be crystal clear about what you want.

Get out a piece of paper right now. Write down your life goals.

Ask yourself: What needs to happen in 2020 for it to be the most amazing year of my life?

In Habakkuk 2:2, God says, “Write the vision and make it plain on tablets, that he may run who reads it” (*NKJV*).

I’m a big believer in vision boards. I have a massive one in my office, and it’s been a huge factor in my success.

To create your own vision board, get a large piece of poster board and write your goals on it so big that you can't miss them. Add pictures representing what your success looks like.

Then put it on your wall and pray over it daily. Keep it before your eyes.

Setting and achieving your goals will make 2020 your best year...ever.

THE END

P.S. As a Christmas gift, I'd like to send you my book ***Dream It. Pin It. Live It.***, that shows you step by step how to create your vision board so you can achieve your dreams. I'll send it to you just for the cost of shipping at **DreamItBook.com**. -Terri
