

GOD'S DIVINE HEALTH PLAN FOR YOU

KELLIE COPELAND

DAY 1 – HOPE IN JESUS

God has planned for you to finish strong, healed and free. Hope is where you begin. You need to use faith, but hope has to come, also. They go together (Hebrews 11:1).

STUDY IT

- Let Jesus diagnose your faith status (Mark 4:35-41).
 - Let the Lord correct you (Hebrews 12:5-11).
 - Don't let go of your confidence in Jesus (Mark 4:40, *AMPC*),
- When you confess the Word over situations without knowing God is your Source, you are confessing the words of someone you have no confidence in.
- It's most important to establish your hope in Jesus.
 - Elizabeth and Mary knew God was their source. They didn't have to know how God was going to accomplish His Word, they just believed Him (Luke 1:25, 38).
 - Zechariah asked how he could be sure of God's Word (Luke 1:18-20).
- Know who your hope is in. You have a Savior! God will set you free!
- Stop looking at the sickness and start seeing the Healer. Look expectantly and attentively with your gaze straight at Jesus, and then be healed (Hebrews 12:2).

Additional scriptures: Hebrews 12:26-27; Ephesians 2:4; 1 Timothy 1:14; Luke 18:18-23; Numbers 21:9; John 12:32; 1 Peter 2:24

MAKE IT PERSONAL

Write your confession of hope and faith in the Healer, and then, express them out loud. Praise God for your healing today!

DAY 2 – JESUS HEALS ALL

Believe God's promises to receive all of His benefits, including healing!

STUDY IT

- We should mature in the things of God faster than any previous generation, because His Word is more readily available to us than it's ever been.
- Bless the Lord all the time (Psalm 145).
 - When you hear bad news, bless the Lord because He has delivered you.
 - When you hear good news, bless God because He has helped you, once again.
 - You are expected to pass on what you know about the Lord to your children and they should pass it on to their children.
- When God's Word is in your heart, it will talk to you and remind you of God's promises to deliver you.
- Feed yourself God's Word in order to build your faith so you can receive your healing (Psalm 103:1-5).
 - Not only has God promised to heal you, but your youth is also renewed.
- Sickness is part of the curse that is in the earth, but you have been redeemed from the curse (Galatians 3:13).
 - God doesn't give sickness; He heals you from every sickness, disease and bondage (Deuteronomy 28).

Additional scriptures: 1 Peter 2:24; Matthew 6:33, 26; Ephesians 4:27

MAKE IT PERSONAL

Make this confession:

Jesus heals everyone and that includes me! Today, I am free from sickness. I am free from disease. I am free from bondage. I am free from fear, in Jesus' Name!

DAY 3 – GOD IS GOOD TO ALL

Jesus healed everyone who came to Him (Matthew 15:30-31). He'll heal you today, if you will put your faith in Him, and accept the healing He has already made available for you.

STUDY IT

- The Bible is full of scriptures about God's desire to heal you.
 - God is good to all (Psalm 145:9).
 - God healed your sicknesses and carried your diseases (Matthew 8:17).
 - By Jesus' stripes you were healed (1 Peter 2:24).
 - You have been redeemed from the curse (Galatians 3:13).
- God promises you long life and protection (Psalm 91).
- Depend on God. Trust His Word, and He will take you from where you are to where He wants you to be—healed and delivered!
- When you receive Jesus as Lord, you have an opportunity to start over. You are born again (2 Corinthians 5:17)!
- Kenneth and Gloria got out of poverty and sickness, had every need met and were delivered from every trouble by faith in God's Word. They did it, and you can do it, too!

DAY 4 – GOD'S DIVINE HEALTH PLAN

To activate God's divine health plan in your life, believe and speak His Word. Think about and speak scriptures that promise prosperity, healing, peace and whatever else you need. The Lord intends for you to be blessed, well, strong and whole.

STUDY IT

- Jesus is still moved by faith today. He is willing to heal—He is the Healer!
- Say out loud: "I'm healed today! I'm receiving my healing today!"
- If you have parts of your body or soul that are damaged or missing, God wants to restore them (Psalm 19:7, *AMPC*).
- Sickness, disease, sadness and lack are part of the curse (Deuteronomy 28:61).
- You have the protection of faith, love and hope (1 Thessalonians 5:8-10).
- To become whole, spend your time reading, studying and thinking about God and His Word (1 Thessalonians 5:23-24).
- God will heal your physical body, your emotions and your mind, if you set yourself to believe His Word.
- God will turn sadness to joy. A happy heart is good medicine (Proverbs 17:22).

DAY 5 – JESUS MADE YOU WHOLE

God wants you to live healed, and He has already delivered you from the curse of sickness and disease. Jesus paid the price to make you whole, so you can live in divine health!

 - Father God is speaking to you, the reader in verse 1.
 - *He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.*
 - You, the reader, are speaking in verse 2 in response to verse 1.
