DAY 1 – SIX DIFFERENT WAYS TO RECEIVE HEALING

Jesus healed while He was on the earth, and He will heal you now. There are at least six ways to receive your healing. Receive healing by standing on God's WORD.

STUDY IT

- I. Jesus healed while He was on the earth, and He will heal you now.
 - The basic scripture of every Healing School: Jesus Christ, the same yesterday, today and forever (Hebrews 13:8).
 - God is good, and His mercy endures forever (Psalm 136:1).
 - No matter your past, you have been made new in Christ (2 Corinthians 5:17).
 - You don't have to convince Jesus to save or heal you. You were healed 2,000 years ago.
- II. There are at least six ways to receive your healing.
 1. Take the healing scriptures found in The WORD of God, and stand on them by believing and speaking. Totally immerse yourself in God's WORD.
 2. The manifestation of healing through the nine gifts of the Spirit of God (1 Corinthians 12:7-11).
 3. The evidence of the gifts of healings.
 4. Faith coming through the word of knowledge.
 5. The operation of the working of miracles.
 6. The presence of special faith.
- III. Receive healing by standing on God's WORD.
 - Video testimony of LaShae McKinney who received her healing by immersing herself in God's WORD.
 - LaShae got in The WORD and wouldn't let it go. Three times a day, she fed her spirit on healing scriptures—breakfast, lunch and dinner—until the doctor pronounced her totally healed from cancer.

DAY 2 – RECEIVE YOUR HEALING MIRACLE

Receive your healing miracle by believing that Jesus wants to heal you. The power of God manifested in the gifts of the Spirit will bring healing. It is the will of God to heal you. God will heal through a word of knowledge—if we believe.

STUDY IT

- I. Receive your healing miracle by believing that Jesus wants to heal you.
 - This is the foundational scripture of every Healing School: Jesus Christ, the same yesterday, today and forever (Hebrews 13:8).
 - You don't have to talk Jesus into healing you; He did it 2,000 years ago.
 - There are at least six ways to receive your healing.
 1. Take The WORD of God, the healing scriptures, and stand on them.
 2. Receive healing through the gifts of the Spirit.
 3. The operation of gifts of healings.
 4. Believe a word of knowledge.
 5. Expect the working of miracles.
 6. Exercise special faith—one of the nine manifestations of the Spirit of God.
- II. The power of God manifested in the gifts of the Spirit will bring healing.
 - Watch the video of Joan Green receiving her healing at EMIC as Billye Burke ministered the gifts of the Spirit.
 - In this video, you can identify the operation of laying on of hands and the word of knowledge.
 - They were in a *miracle environment*, and that environment can be with you today wherever you are.
- III. It is the will of God to heal you.
 - A testament is the last will of someone.
 - God wrote His own will, died to bring it to pass, was raised from the dead, and now administers His will to bring it to pass. He is the executor of His own will.
 - Be cautious: Religious traditions can make The WORD of God of no effect (Matthew 15:6).

- If God ever healed anyone, He will heal you. God is no respecter of persons (Acts 10:34).
- Jesus healed them all, but He didn't heal everyone, everywhere, all the time. Some people were willing to be healed and some were not.
- The Scripture says Jesus healed all manner of sicknesses and diseases (Matthew 4:23).
 - Jesus healed every kind of sickness, including raising someone from the dead.
- God is Jehovah Rapha—the God who healeth thee (Exodus 15:26). If He didn't heal even one person, He would have to change His Name.

IV. God will heal through a word of knowledge—if we believe.

- Watch the video testimony of Jenny Kuhne's healing through a word of knowledge given by Kenneth Copeland.
 - Jenny fell from a ladder and landed on her back. Her shoulders fell on a length of PVC pipe. Her back was broken in three places, including a vertebra in her neck that exploded. The doctors said she should expect 12 to 18 months of rehab before she would be well.
 - In her brace, she went to a Kenneth Copeland Ministries meeting. Brother Copeland had a word from The LORD that God would give her a new vertebra.
 - The next morning, she felt the back of her neck, and the swelling was gone.
 - At her next appointment, the doctor's examination revealed a new vertebra in her neck where the old one had exploded. God replaced the broken one with a brand-new one!
 - In two weeks, the new vertebra grew to the size of the other normal ones, and she was completely healed.
- We serve a mighty God!

DAY 3 – THE COMPASSION OF JESUS WILL HEAL YOU

It's easy to receive from Jesus. Most people believe that God can heal, but the question is often, "Is it God's will?" Total immersion in God's WORD will heal. You're not without hope as long as God is still God.

STUDY IT

- I. It's easy to receive from Jesus.
 - Jesus did everything that it took to set us free from sickness and disease.
 - The basic scripture of every Healing School is: Jesus Christ, the same yesterday, today and forever (Hebrews 13:8).
 - In Matthew, Mark, Luke and John, there are 19 individual cases of healing and miracles.
- II. Most people believe that God *can* heal, but the question is often, "Is it God's will?"
 - The answer is found in the account of Jesus healing the man with leprosy (Matthew 8:2-4).
 - Jesus touched the leper and said, "I will." Immediately the leprosy was cleansed.
 - Your faith begins to operate where you know the will of God.
 - This is why Jesus came: to destroy the works of the devil (1 John 3:8).
 - The same account is found in the book of Mark with another detail (Mark 1:40-45).
 - Jesus was moved with compassion toward the man. He said, "Of course, I want to!" (Mark 1:41, *J. B. Phillips New Testament*).
 - Dr. Luke gives the same account with more details (Luke 5:12-15).
 - The man was *full* of leprosy. He was at Stage 4.
 - Luke said the man fell on his face. Mark said he knelt before Jesus. That's not a contradiction. The man knelt down, and the power of God was so strong that the man just fell on his face.
 - Jesus touched him and healed him.

- Think about it! The man had been sick for a long time. His clothes were dirty, he smelled with the stench of sickness, and because of the highly contagious nature of leprosy, no one had touched him in a long time.
- Jesus was moved with compassion. He said, "I will," and touched the man. Immediately, the man was healed!
- Jesus told him to say nothing to any man, but go his way and show himself to the priest so it could be proved that the leprosy was healed. But he went out and began to tell everyone. He disobeyed Jesus.

III. Total immersion in God's WORD will heal.

- A dentist had seizures and slipped into a coma. He was brought to Brother Copeland's meeting.
 - Brother Copeland prayed for him and the seizures stopped.
 - Brother Copeland gave a word of knowledge to his wife. It was instruction to read God's WORD out loud to the man all the time. At night, put a Bible tape on for him to listen to.
 - The man in the coma was being totally immersed in God's WORD of healing.
 - She did it consistently for about two weeks. One day he sat straight up, awake and in his right mind. He reported that while he was in the coma, he could hear everything that was said, but he couldn't respond. Suddenly, he broke free.
- Don't ever talk doubt and unbelief around somebody who's in a coma! They can hear you.

IV. You're not without hope as long as God is still God.

- Assisted suicide is murder. Heaven is full of people who received Jesus at the last second. Don't take the last moments away from them.
- Your heavenly Father and Jesus are not trying to keep people out of heaven.
 - If you know Jesus, you are not without hope. Shout the victory! God is merciful.
- There was a man whose mother prayed for him, but he had not been born again.
- He wasn't at all interested in God; and he died.
 - As he slipped out of his body, he saw the light of God. He saw hell and heaven and was told, "You take your pick."
 - His interceding mother's prayers were still working even though his body was dead.
 - He chose heaven, came back to life, was born again and gives his testimony.

- God's will is that all men be saved.
 - All people are not saved, but God in His mercy presses them as far as He can without violating His WORD in His desire that they receive Jesus as Savior and LORD, even in the last seconds of life.

MAKE IT PERSONAL

Sometimes it's difficult to believe and receive God's love. Yet, His love and compassion are directed toward you to make you completely whole. Receive it!

Write down three scriptures that talk about God's love for you; then read them out loud every day. Add more scriptures as you find them.

Hint: John 3:16

You are loved, and you are healed by your God who loves you!

DAY 4 – THE HEALER IS IN THE HOUSE

Healing is a promise of God. Jesus was crowned with glory and honor, and tasted death for every person. The Name of Jesus heals our sicknesses and diseases. Today is the day of God's healing!

STUDY IT

- I. Healing is a promise of God.
 - For all the promises of God in him are “Yes” (2 Corinthians 1:20).
 - It's not “win a few, lose a few.” We know exactly what God will do. His WORD has to be applied and faith has to take it.
 - Does God heal you because you have faith? It does take faith, but He heals you because He loves you.
 - Jesus Christ the same, yesterday, today and forever (Hebrews 13:8).
- II. Jesus was crowned with glory and honor, and tasted death for every person (Hebrews 2:9).
 - Righteousness has come upon all men (Romans 5:18). All men have not received salvation and righteousness. It is a gift; you can't earn it.
 - When we were born again, we were made the righteousness of God (2 Corinthians 5:21).
 - We have been given victory over death (1 Corinthians 15:56-57).
 - Brother Copeland demonstrated putting off the physical body using his coat. When he took the coat off, it did not move.
 - Jesus will glorify our bodies, and will resurrect us with new bodies.
- III. The Name of Jesus heals our sicknesses and infirmities.
 - Brother Copeland went to Jamaica and preached. A lady told him, “Brother Copeland, thank you very much. I was blind; now I see.”
 - It was the Name of Jesus that healed her.
 - The Name of Jesus is here today. Have faith in the Name of Jesus. Jesus is the same yesterday, today and forever.

IV. Today is the day of God's healing.

- The healing God can cause the tumor in your body to dematerialize and go somewhere else.
- The Name of Jesus can cause the AIDS virus to disappear. People are being delivered from AIDS all over the world.
- The Healer is in the house. The same Healer is in the house in Africa and South Africa and is here, today.
- Say this: "Now faith is the substance of things hoped for" (Hebrews 11:1).
- Jesus healed a woman with a spirit of infirmity who, for 18 years, could not lift herself up (Luke 13:10-13).
 - If you belong to Christ, then you are Abraham's seed and an heir according to the promise (Galatians 3:29).
 - Ought not you be loosed today? Ought not your neck be loosed today? Ought not your stomach be loosed from pain today? Ought not your throat be loosed today? Ought not your back be healed today? Ought not your shoulder be released today? YES!
- Today is the day of salvation! Today is the day of deliverance. Today is the day of power. Rejoice! For Jesus is here!

MAKE IT PERSONAL

Write your healing confession and say it every day! Here is an example:

Heavenly Father, according to Your WORD, I announce my healing. It's a gift from You. You want me healed, and I want to be made whole. Sickness and disease cannot stay in my body. The power of God and The WORD of God heals me today, and I receive it! Thank You, Sir. In Jesus' Name. Amen.

I am healed and I will stay healed!

DAY 5 – COMPASSION HEALS THEM ALL

Jesus is compassionate and willing to heal, and He desires to do good for you! In the meeting, healings were announced. Healing is for you, also.

STUDY IT

- I. Jesus is compassionate and willing to heal, and He desires to do good for you!
 - That's your Jesus today. That's the One who will go to any length to get you out of the situation you're in and get you into the situation where you need to be.
 - Jesus separated His disciples from the crowds for a time of rest (Mark 6:31-44).
 - When they got to a remote location, the place was already filled with many people, and Jesus ministered to them.
 - The disciples were exhausted and hungry, yet Jesus fed them all with a little boy's lunch.
 - Jesus left the crowds and the disciples, and went to pray (John 6:15-21).
 - The disciples got into a ship and started home. The sea was not calm because of wind. Jesus came walking on the water, and He got into the ship.
 - Immediately, the boat was at the land. Jesus took care of His exhausted disciples.
- II. In the meeting, healings were announced. Healing is for you, also.
 - Brother Copeland said, "When I touch you, I'm going to release my faith for your healing."
 - He instructed the congregation to not be spectators, but to be praying in the spirit as if they were laying hands on each person.
- III. Brother Copeland called out various conditions that God was healing.
 - Someone with cough; whooping cough; a baby with a serious cough is healed; measles; child with measles, whether the family is at the meeting, watching online or wherever they are—their baby is healed.
 - Someone who had a broken nose and it didn't get set correctly; one nostril is all clogged up, but not anymore. God has healed you.
 - Asthma is healed. Bronchitis is healed. Tumors in the esophagus are healed.

- A broken eardrum is healed. Sinuses are being healed. No more allergies! If that's you, take it! In the Name of Jesus, receive your healing.
- Migraine headaches are healed. They are cursed. You'll never have another one, in the Name of Jesus.
- Someone just received a new vertebra.
- The healing anointing is flowing.
- Ulcers of the tongue healed. Brother Copeland broke the power of the worry habit.
- Take your healing, and talk your healing!
- Brother Copeland cursed cancer and malignant cells. He commanded the cancer to get out of someone's holy body, take its hands off, and go!
- Stomach problems are healed.
- Gloria Copeland declared: "From the top of your head to the soles of your feet, receive your healing. Say, 'I have it. I take it. It's mine now.'"
- Brother Copeland commanded sleep apnea to leave. He encouraged those who have been diagnosed with sleep apnea to stand and say, "I'm healed of sleep apnea! No more sleep disorders! I am my LORD's beloved, and He gives me sweet sleep" (Song of Solomon 6:3; Proverbs 3:24). No more snoring!
- Brother Copeland declared: "In the Name of Jesus, receive your healing from the crown of your head to the soles of your feet!"
