

THE FACETS OF HEALING

KENNETH COPELAND
NOVEMBER 2-6, 2020

DAY 1 – HEALING FOR THE UNITED STATES

We pray first of all for all men; kings and all who are in authority. Healing belongs to the United States; and wherever you're from, healing is for your nation. The United States has seen trouble on every side, yet comes out victorious. God told Solomon that He heard his prayer, and God hears our prayers when we pray in faith.

STUDY IT

- I. We pray first of all for all men; kings and all who are in authority (1 Timothy 2:1-2).
 - “It is the will of our Savior; who will have all men to be saved and come to the knowledge of the truth that there is one God, one mediator between God and men, the man Christ Jesus; who gave himself as a ransom for all.”
(see 1 Timothy 2:3-6).
 - An age-old question: Why do bad things happen to good people? Because good people make bad choices.
 - Choice is involved in healing and wellness.
 - There's a difference between getting healed and being well.
 - Well people don't get sick.
 - That's the goal: Stay healthy—don't get sick—then get healed over and over again.
 - Make this declaration: “I'm a believer, not a doubter. I believe for mighty works. Holy Spirit, You are welcome in this place. We are in holy agreement. We bind satan and every demonic principality, power, ruler of the darkness of this world and every wicked spirit in the heavenlies. Get out and don't come back!”
- II. Healing belongs to the United States; and wherever you're from, healing is for your nation.
 - The key verse: “And the Lord appeared to Solomon by night, and said unto him, I have heard thy prayer, and have chosen this place to myself for an house of sacrifice” (2 Chronicles 7:12).
 - “If I shut up heaven that there be no rain, or if I command the locusts to devour the land, or if I send pestilence among my people; if my people, which are called by my name, shall humble themselves, and pray, and seek my face,

and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place”
(2 Chronicles 7:13-15).

- God hears and answers our prayers.
 - Obey the Scripture and pray for the president every day (1 Timothy 2:1-2).
- III. The United States has trouble on every side, yet comes out victorious.
- That’s because more gospel is being preached from the U.S. than any other place on the face of the earth.
 - This nation was created for and by people who love God, so they could freely worship Him.
 - George Washington dedicated this nation to the Almighty God and His Son, Jesus.
 - Mr. Washington was heard saying, “You will be our God, and we will be your people.”
- IV. God told Solomon that He heard his prayer, and God hears our prayers when we pray in faith.
- Lead your congregation to put prayer first.
 - Pray for your president whether he’s a Republican or a Democrat. Pray for all men.
 - The failure or success of the Church is either a prayer failure or a prayer success.

MAKE IT PERSONAL

Healing is for you and for your nation. God loves the whole world, and He offers healing to everyone who will believe.

Write down any healing that you or your family needs: physical and emotional.

Now praise God that it’s done! If you need to forgive anyone, do it, and receive healing!

THE FACETS OF HEALING

KENNETH COPELAND
NOVEMBER 2-6, 2020

DAY 2 – HEALING IS OURS TO GIVE AND RECEIVE

Healing belongs to the world, because healing is from Jesus, and Jesus belongs to the world. It is God's will to heal. Jesus confirmed The WORD He preached by following it up with signs.

STUDY IT

- I. We're going to be talking about healing and answer an age-old question: Why do bad things happen to good people.
 - Brother Kenneth E. Hagin told about a woman in London during WWII.
 - She had gone to a bomb shelter for safety, but it smelled bad because of lack of ventilation.
 - She went back home and stayed in her house. People in the bomb shelter missed her, but she said, "He that keepeth Israel shall neither slumber nor sleep. I just made up my mind that there wasn't any use in both of us being awake" (see Psalm 121:4).
 - The whole block of houses where she lived was wiped out by the bombing, but not her house.
 - She believed in the protection of God and acted on it. Faith is an action.
- II. Healing belongs to the world, because healing is from Jesus, and Jesus belongs to the world.
 - The meaning of the Greek word *sozo* from the concordance is *healed, saved and delivered*.
 - God sent Jesus into the world that "the world through Him might be saved" (John 3:17).
 - To *save* means "keep safe and sound, to rescue from danger or destruction; rescue one from injury or peril; to save a suffering one from perishing or from disease; to make well; to heal; restore health."
 - All those meanings are in that one Greek word—*sozo*.
 - We are not to "heal the sick." We are to "*sozo* the sick" (James 5:14-15).

- The Bible says, “God so loved the world that he gave...” (John 3:16). Jesus, the Savior, the Healer, belongs to the world.
- Healing, then, belongs to the Body of Christ. Healing is ours to receive and healing is ours to give.

III. It is God’s will to heal.

- Jesus gave His disciples authority over evil, unclean spirits. Freely you have received; freely give (Matthew 10:8).
- The LORD told Brother Copeland to start walking for exercise. He did for a little while, but then he stopped. That was a terrible choice.
- Because he didn’t strengthen his back, a disk exploded in his spine, and he suffered excruciating pain.
- God wanted to prevent that problem by instructing Brother Copeland to walk every day, but Brother Copeland didn’t obey the instruction to walk and strengthen his back.

IV. Jesus confirmed The WORD He preached by following it up with signs.

- Healing belongs to the Body of Christ. We are told: “How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him” (Acts 10:38).
 - Someone told Brother Copeland, “But that was Jesus.” No, it wasn’t. It was God.
 - God anointed Jesus. God was with Him.
 - God has anointed you. God is with you. God is your Healer. Jesus is your Physician.

MAKE IT PERSONAL

The anointing is on you, just like it was on Jesus. God is with you; He is the Healer. Begin to thank and praise Him for His healing power that anoints you.

Make a list of people you know who need healing. Then expect God to pray and work through you for their healing.

DAY 3 – BE A BELIEVER IN HEALING FIRST

The fundamentals of receiving healing are so important. The LORD has promised to hear our prayers, and He will forgive our sins and heal our land. *Sozo* means so much more than just *saved*.

STUDY IT

- I. The fundamentals of receiving healing are so important.
 - Healing belongs to any nation that will take it.
 - The United States is a unique nation. It was founded by a people who loved God and desired to worship Him in freedom.
 - Brother Copeland's friend Rose Weiner had a vision in March 2009. The LORD told her, "America was founded because people love Me and sought to create a nation where they could have freedom to worship Me. I am going to move in a great spiritual awakening, and I am going to call this nation to Myself."
 - This is coming to pass right now.
- II. The LORD has promised to hear our prayers, and He will forgive our sins and heal our land (2 Chronicles 7:14)
 - The United States is a place where God has chosen to place His Name.
 - The first capital of the United States was in New York City.
 - George Washington was inaugurated as the first president of the U.S.
 - Washington's first action was to walk to a nearby chapel and dedicate this nation to God. He said, "You will be our God, and we will be your people."
 - That little chapel is still standing unharmed in New York City, even after 9/11 destroyed so much around it.
 - The biblical law of interpretation is that the first time a word is used sets the pattern.
 - If you have a bad accident, the first word that comes out of your mouth sets what will happen as a result of that action: if people will be hurt, die or be miraculously uninjured; if the vehicle can be repaired or will be a total loss.

- III. *Sozo* means so much more than just *saved*.
- *Sozo* means “saved, soundness, deliverance from disaster, deliverance from sickness, disease and calamity.”
 - The prayer of faith shall save, *sozo*, the sick.
 - Healing belongs to the world because Jesus is God’s gift to the world.
 - Jesus “went about doing good,” preaching, teaching and healing (Acts 10:38).
 - Healing belongs to the Body of Christ. It’s ours because we belong to Jesus and Jesus works through us.
 - Will these signs follow only the preachers or ministers? (Mark 16:17).
 - No, these signs will follow the believer. These are believer-signs.
 - Barnabas, Paul and Philip were believers first before they were ministers.
 - We’re believers first. That’s our job and the definition of our responsibility.
 - Signs and wonders don’t just happen and they don’t work as rewards.
 - Healing is not a reward. Healing has to be received.
 - Don’t wait until you’re 80 years old to decide to obey God.
 - Be a believer in healing first.

MAKE IT PERSONAL

You may or may not have seen someone who was miraculously healed by the power of God. While your faith is high, begin to confess your faith in God who can and will heal.

Speak your declaration with us:

I believe God wants to heal everyone, no matter what their problem is. I speak healing over myself, over my family and over my nation. God will heal! Just like every miracle in Matthew, Mark, Luke, John and the book of Acts, God will heal—if I believe and speak in Jesus’ Name!

NOVEMBER 2-6, 2020

DAY 4 – JESUS CAME TO TEACH, PREACH AND HEAL

The life of Jesus is a ministry of teaching, preaching and healing. Once you get healed of a sickness or disease, it tries to come back the second time. The healing of Peter's mother-in-law is particularly interesting. Jesus came to save and heal.

STUDY IT

- I. Kenneth Copeland Ministries has always been a healing ministry.
 - Brother Copeland attended Oral Roberts University, and God put him with a man who knew about healing: Oral Roberts.
 - Brother Roberts became Brother Copeland's father in the faith.
 - Brother Roberts used his faith on purpose like a mechanic uses a tool.
 - Brother Roberts told Brother Copeland, "You're going to do the praying now. Don't touch anyone until you're ready to release your faith."
 - Brother Copeland learned from Brother Kenneth E. Hagin where faith comes from: It comes out of your spirit, not out of your mind or your brain.
 - Faith comes by hearing; hearing by The WORD of God (Romans 10:17).
- II. The life of Jesus is a ministry of teaching, preaching and healing.
 - We're talking about the healings of Jesus: how to receive healing, how to minister healing, and how it is affected by people's own faith in the ministry of Jesus.
 - People say, "I know Jesus can heal, but is it His will to heal *me*?"
 - The leper had oozing sores of leprosy and no one touched him—but Jesus did (Matthew 8:2-3)!
 - This man was a carrier of leprosy—Jesus is a carrier of healing.
 - You're a carrier of the Healer. You're filled with the Spirit of the living God. You have healing on the inside of you.
 - Once you get healed of a sickness or disease, it tries to come back the second time.
 - You must take a stand of faith. Say, "No, you're not putting that back on me!"
 - A woman who had been healed started having symptoms again.
 - She did what the woman with the issue of blood did.

- She believed it. She said it. She received it and then she told it.
 - Whenever her symptoms started coming back, she'd go right back to the hospital and just started testifying.
- III. The healing of Peter's mother-in-law is particularly interesting (Matthew 8:14-15).
- Jesus went into her home and touched her.
 - Jesus spoke to that fever—rebuked it. The fever heard Him and left.
 - Brother Hagin told of a woman who occasionally came to church. Her children were sick.
 - The woman asked him to come and put his hands on them, and she knew they would be all right. He did and the fever left.
- IV. Jesus came to save and heal. He came to *sozo*.
- Jesus came to deliver you from calamity.
 - He came to deliver you from the curse of the law and make you a new creature.
 - He came to deliver your body from sickness and deliver your mind from worry or brain disease of any kind.
 - He came to make you well and whole—in your spirit, soul, body, financially and socially.

MAKE IT PERSONAL

Pray with us:

*Heavenly Father, I come to You in faith, believing it's Your will to heal my _____
(fill in the blank). You will do it now. You want me to be well and whole in my spirit,
soul, body, financially and socially. I receive it! Thank You, Sir! In Jesus' Name. Amen.*

THE FACETS OF HEALING

KENNETH COPELAND

NOVEMBER 2-6, 2020

DAY 5 – HEALING AND FORGIVENESS ARE CONNECTED

Jesus taught that healing and forgiveness go together. It was a new revelation. Anyone who has never received Jesus Christ as LORD and Savior, now is your time.

STUDY IT

- I. Jesus taught that healing and forgiveness go together.
 - A man sick of the palsy was let down through the roof to be healed by Jesus (Luke 5:18-24).
 - Jesus said, "Cheer up. Your sins are forgiven you."
 - The listeners spoke against Jesus. They said, "Who can forgive sins but God?"
 - Jesus was preaching The WORD. He went about teaching, preaching and healing.
 - Faith comes by hearing and hearing by The WORD of God (Romans 10:17).
 - "And the power of The LORD was present to heal them" (Luke 5:17).
 - Friends carried the man up on top of the roof. Jesus could see their faith.
 - Jesus said, "Your sins are forgiven you. Which is easier to say, your sins be forgiven you; or arise, take up your bed and go home? The Son of man has the power and the authority to forgive sins" (see Matthew 9:1-8).
 - Jesus said, "Rise, take up your bed and go home."
- II. That was a new revelation. They didn't know the same power that forgives also heals.
 - It's the forgiving power that heals. It's the healing power that forgives.
 - It's the same loving God! He is the Forgiver. He is the Healer. That's what that whole story is all about.
 - The same God who has healing on His mind has forgiveness on His mind. He came to forgive. God heals and forgives.
- III. Anyone who has never received Jesus Christ as LORD and Savior, now is your time.
 - Some of you have gotten away from the Father's house; now is your opportunity.
 - Anyone who has never been filled with the Spirit, speaking with other tongues like on the Day of Pentecost, it's time. It's going to happen right now.

- Pray with Brother Copeland: "O God in heaven, I believe with all my heart Jesus has been raised from the dead. Come into my heart, LORD Jesus. Take my life and do something with it. I receive You as my LORD and Savior. I repent of sin. I receive total and complete cleansing. Fill me now to overflowing with Your precious Holy Spirit."
- Jesus said, "How much more shall your heavenly Father give the Holy Spirit to those that ask him?" (Luke 11:13).
- All you have to do is ask and believe you receive. It's that easy!

MAKE IT PERSONAL

Thank you for joining us as we learn more about God's power to heal. If you have learned something about healing, share with us by [clicking here](#), or [contact us on Facebook™](#).

You are invited to partner with us to preach healing all around the world. To become a Partner, click here: kcm.org/partner, or call us today at 1-800-600-7395. God bless you, and remember: JESUS IS LORD!
