## DAY 1 – EXPECT YOUR HEALING MIRACLE

The LORD has taken sickness from the midst of us. Grief can be healed. Some people wonder if it is God's will to heal. Yes, it is the will of God to heal.

### STUDY IT

- I. The LORD has taken sickness from the midst of us (Exodus 23:25).
  - Say this and believe it: "I'll never be sick again hereafter for the rest of my life."
    - Your faith must activate your words.
  - Refuse to get the flu or any other sickness.
    - Belief in God's WORD is your flu shot.
  - It's amazing what faith can do.
- II. Your grief can be healed.
  - Brother Copeland told Shirley Boone (Pat Boone's wife) how to handle grief.
    - Her dad, Red Foley, a well-known music composer, passed away.
    - There were many public honors planned, and she didn't want her sadness to hinder his memory.
    - Brother Copeland told her to force a smile on her face and not give way to grief.
  - The joy of The LORD is your strength (Nehemiah 8:10). You are a representative of The LORD Jesus Christ, even in times of sorrow.
- III. Some people wonder if it's God's will to heal.
  - Faith begins where the will of God is known.
  - Jesus said, "The Father who dwells within Me does the work (John 14:10).
  - Jesus went about doing good and healing all who were oppressed by the devil (Acts 10:38).
  - Peter said, "I perceive that God is no respecter of persons" (Acts 10:34).
    - If it *was* God's will to heal in the past, it *is* His will to heal now.
  - Jesus is the Healer.
  - God would not put something in His WORD that was not His will.

- IV. It is the will of God to heal.
- Jesus was moved with compassion to heal the man with leprosy (Mark 1:41-42).
    - Jesus touched him, and immediately the leprosy was cleansed.
  - God said, "I am The LORD who heals you," and He does not change (Exodus 15:26).
  - God is our Healer and our Peace (Judges 6:24). Receive Him as your peace.

## MAKE IT PERSONAL

If something was God's will in the past, it is still God's will in the present; and it will be God's will in the future. "Jesus Christ is the same yesterday, today and forever" (Hebrews 13:8).

Pray this prayer with us.

*Heavenly Father, You promised that You never change. You said You were willing to heal every disease, every sickness, every problem by Your awesome power because You love us. I ask You, please, to heal me of every problem in my body, in my mind and in my emotions. I believe it is Your will, and I receive it done. In Jesus' Name I pray. Amen.*

### DAY 2 – THERE IS HEALING IN GOD'S WORD

There is healing in God's WORD. God's mercy and the promises in Psalm 91 are promised to you. God's WORD brought healing to Brother Copeland's life.

### STUDY IT

- I. There is healing in God's WORD.
  - "He is despised and rejected of men; a man of sorrows, and acquainted with grief" (Isaiah 53:3).
  - Surely, He has borne our griefs and carried our sorrows and with His stripes we are healed (Isaiah 53:4-5).
  - By His Spirit, The LORD will deliver you from sickness, grief, sorrow and pain.
  - Brother Copeland wrote healing scriptures on paper and taped them to his mirror.
    - He prays those scriptures out loud every day.
    - You can do that too.
  
- II. God's mercy is promised to you.
  - *Chesed* is a covenant term and is translated *mercy* or *lovingkindness*.
    - "Surely goodness and mercy (*chesed*) shall follow me all the days of my life" (Psalm 23:6).
    - God's *chesed* endures forever (2 Chronicles 20:21).
  - It was God's plan for man to live 120 years. Seventy or 80 years is not a set time span for man's life.
  - Sleep is a gift (Psalm 127:2). Remind yourself of it when you go to bed.
    - Say: "I believe and I receive the gift of restful sleep." Then go to sleep by faith.
  
- III. The promises in Psalm 91 are yours today.
  - "Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday" (Psalm 91:5-6).
    - Pestilence means plagues, sicknesses, diseases and pandemics.
    - Don't be afraid of drive-by shootings. Stage your angels out there.

- You are in the secret place of the Most High, *El Shaddai*, the God who is more than enough.
- The Bible, God's WORD, is the secret place—hide in it.
- Angels are assigned to keep you in all of your ways (Psalm 91:11), because you dwell in the secret place.
- Years ago, Kenneth and Gloria were staying in a hotel when they heard a noise.
  - When Brother Copeland looked out the window, two men were fighting down below, across the street.
  - He called the operator, who in turn called the police.
  - Gloria was already quoting Psalm 91. They chose to dwell in the secret place and not give place to fear.

IV. God's WORD brought healing to Brother Copeland's life.

- Everything Kenneth and Gloria have in their lives came through The WORD of God.
- The Most High shows lovingkindness in the morning and faithfulness every night (Psalm 92:2).
- Gloria Copeland says: "If you do what's right in the natural and you do what's right in the supernatural, you can live in divine health."

### MAKE IT PERSONAL

God's WORD is His written desire for you to have His will in your life. Healing is God's will. It's up to you to change how you talk. Put God's WORD in your mouth. Speak what He speaks about you.

Write down a declaration of God's will for your life as found in His WORD and say it daily. Here's a hint: Choose something from Psalm 91.

### DAY 3 – YOU ARE SUPPOSED TO BE HEALED

An event in the life of Jesus is described in Matthew, Mark and Luke. A blind man cried out to Jesus for healing. Jesus is the same healing Jesus now as He was when He was on the earth.

### STUDY IT

- I. An event in the life of Jesus is described in Matthew, Mark and Luke.
  - Jesus healed a man with palsy (Matthew 9:1-8).
    - A man lying on a bed was lowered to Jesus to be healed.
    - Jesus saw their faith and said, "Son, be of good cheer; thy sins be forgiven thee" (Matthew 9:2).
  - The same account is found in Mark (Mark 2:1-12).
    - Four men took their friend to Jesus' house where He was preaching.
    - They couldn't get in through the door, so they broke through His roof and lowered the man to Jesus.
    - The man who had palsy was healed, took up his bed, and went home.
    - All who were there were amazed and glorified God saying, "We've never seen this before."
    - The power of The LORD was present to heal.
  - We find more information in Luke (Luke 5:17-26).
    - Jesus saw the faith of the men who wanted healing for their friend.
    - The scribes and Pharisees began to reason saying, "Who can forgive sins but God alone?"
  
- II. A blind man cried out to Jesus for healing (Luke 18:35-43).
  - He shouted, "Jesus, Son of David, have mercy on me (do *chesed* for me)" (Luke 18:38).
  - Jesus asked him, "What do you want me to do for you?" (Luke 18:41-42).
    - The man answered, "I want to receive my sight."
    - Jesus said, "Your faith has saved you! Go your way, your faith has made you whole."

III. He's the same healing Jesus now.

- Brother Oral Roberts finished a meeting, and a little boy, Willie, stopped him and said, "I'm supposed to be healed today."
  - Brother Roberts laid hands on him. His mother and Willie believed. From that moment on, he was totally, completely healed.
- You are supposed to prosper today and be in health (3 John 2).
- Today's the day you walk away from sickness and grief.
- There are around 19 healings in the Gospels.
  - All of the principles of faith are there.
  - In the book of Acts you'll see others.
  - Faith is either actually spoken of or strongly implied in all of them.
- Believe, have faith, that you are healed today!

## MAKE IT PERSONAL

Make this declaration: *I am supposed to be healed today!* Can you believe God wants you healed? He said He did. Even His Name, *Jehovah Rapha*, The LORD who heals, expresses His desire for you to be healed. Be bold and courageous and take God at His WORD.

Write down the Scripture you are believing for you healing.

### DAY 4 – A DAY IN THE LIFE OF JESUS

A day in the life of Jesus. Spiritual warfare is what we wage against the devil and his demons. God wants to deliver us from unclean spirits. Jairus' daughter was at the point of death when Jairus asked Jesus to heal her.

### STUDY IT

- I. A day in the life of Jesus.
  - The disciples and Jesus were on the sea when a storm came up (Mark 4:35-41).
    - Jesus had said to the disciples, "Let's go to the other side."
    - Jesus rebuked the wind and said to the sea, "Peace, be still."
    - The disciples marveled when Jesus stopped the storm.
    - He told them, "I did this by faith. Where's your faith?"
  
- II. Spiritual warfare is what we wage against the devil and his demons.
  - Paul lists the classification of demons in order from bottom to top (Ephesians 6:12).
  - They are: principalities, powers, rulers of the darkness of this world (those are the ones that possess people), and wicked spirits in the heavenlies (political demons).
  - Daniel set himself to fast and pray about the future of the nation of Israel.
    - After 21 days, an angel came to him and told him that his prayers had been heard the first day (Daniel 10:12).
    - The prince of Persia (Iran) withstood him, but Michael came and helped him (Daniel 10:13).
    - The princes of nations are wicked spirits in the heavenlies.
  - We need to pray for our political leaders to withstand demonic pressure so they do what they said they would do on the campaign trail.
  - Years ago, Brother Copeland went with his friend Charles Rogers to pray for a woman in the hospital.
    - When she spoke, chills ran all over Brother Copeland. He recognized it was an unclean spirit, and it scared him out of the room.
    - He determined that he would never run away from another evil spirit.

- III. God wants to deliver us from unclean spirits.
- In Jamaica, Brother Copeland prayed for a woman who was tormented by an unclean spirit. It talked through her with a mocking voice.
  - Brother Copeland said, "Jesus sent me here today to tell you that He loves you."
  - Later, he found out her history.
    - When she was a young girl, she accepted Jesus as her LORD and Savior.
    - She bought a dress, had her nails done, fixed her hair and went to church.
    - The person at the church door said, "What is that on your fingernails?"
    - He continued, "You cut your hair. Jesus does not love any woman who cuts her hair." She was not allowed in that church.
    - The devil told her that Jesus didn't love her.
    - She had been on that bed in torment for 18 years.
  - By the Holy Spirit, The LORD told Brother Copeland to tell her that He loved her, and she was delivered.
- IV. Jairus' daughter was at the point of death when he asked Jesus to heal her (Mark 5:22-23).
- He said to Jesus, "Come and lay your hands on my daughter that she may be healed." That was the last thing Jairus said.
  - On the way to Jairus' house, a woman with an issue of blood touched Jesus. She had said, "If I may touch His clothes, I shall be whole" (Mark 5:25-34).
    - When she touched Jesus' clothes, He realized power and Anointing had gone out of Him. He said, "Who touched My clothes?" She had suffered for 12 years. Her blood dried up and she immediately was healed of that plague.
  - Jesus said to her, "Your faith has made you whole."
  - The leader of the synagogue could have ministered to the woman who was bowed over for 18 years, but he didn't; yet he got mad at Jesus because He healed her (Luke 13:14).
  - The healing for every attack of the devil is in the Bible.

## MAKE IT PERSONAL.

Wouldn't it have been thrilling to spend a day with Jesus when He lived on the earth? The healings, deliverances and miracles He did are still possible today, if you believe and receive His WORD.

Pray with us for your miracle:

*Father, thank You for Your WORD that teaches me how to receive my miracle healing. I believe and receive it, now, in Jesus' Name. Amen.*

### DAY 5 – RELEASE YOUR FAITH FOR HEALING

The woman with the issue of blood released her faith for healing. Brother Kenneth E. Hagin used to say, “Plug in with faith; make an effort!” Brother Copeland was preaching a meeting in Peru when a lady outside was healed. The glory of God is wherever you are; but you have to plug into it.

### STUDY IT

- I. The woman with the issue of blood released her faith for healing (Mark 5:28).
  - Jesus was going with Jairus to heal his daughter (Mark 5:23-24).
    - They met a woman who had an issue of blood for 12 years.
  - Both Jairus and the woman spoke their faith concerning their situations.
  - Jesus said to the woman, “Your faith has made you whole.” (Mark 5:34).
  - Jesus spoke by faith when He entered Jairus’ house.
    - He said, “The damsel is not dead but sleeps.”
    - Jesus put all the mourners and grieving spirits out of the room.
    - Jesus said to the girl, “Arise,” and she did.
  - Jesus said, “My Father in Me does the work.”
- II. Brother Kenneth E. Hagin used to say, “Plug in with faith; make an effort!”
  - He stayed in Mark 11:22-25 until he got his healing.
  - Then he preached those verses on faith throughout his ministry.
  - If you plug into it, the power of God will heal everyone in the room and anywhere nearby.
- III. Brother Copeland was preaching a meeting in Peru when a lady outside was healed.
  - The anointing in that meeting was so strong that a woman who was next door in the hospital in the doctor’s office for treatment of cancer in her throat felt like she was on fire. She was healed.
  - The next day, she went back to the doctor. He verified she was healed of cancer.
  - She came across the street to the meeting, was born again and baptized in the Holy Spirit, and the glory of God came in there.

- IV. The glory of God is wherever you are; but you have to plug into it.
- You have to keep that switch of faith turned on.
  - Release your faith for healing.
  - Make this confession with Brother Copeland: *The gospel that I have heard is the power of God unto salvation. I confess Jesus Christ as LORD over my life—spirit, soul and body. I receive the power of God to make me sound, whole, delivered and saved. I act on The WORD of God and receive the power of God. Sickness, disease and pain, I resist you in the Name of Jesus. You are not the will of God. I enforce the will of God on you. Leave my presence. I will never allow you back. My days of sickness and disease are over! I am the saved, healed! The power of sickness has been broken over my life. Jesus bore my sickness, weakness and pain. I am forever free.*
  - So act, praise, move, see, hear, straighten up, be delivered, be free, be sound.
    - Receive your healing. Move something you couldn't move. You are healed!
  - Brother Copeland said: "I take authority over every demon of sickness and disease. You be made whole; you be made well. I declare you healed! I declare you whole! I declare pain gone out of your body. I declare every sickness and disease be gone from the top of your head to the soles of your feet. I declare that you are healed!"
