

FAITH TO FULFILL THE PLAN OF GOD

KENNETH COPELAND, ANDRÉ AND JENNY ROEBERT

OCTOBER 23-27, 2023

DAY 1 – FAITH NEVER QUILTS

Faith never quits. Jesus said we should ask, seek and knock—A-S-K. Every time faith is contaminated with fear, the power of faith is almost immediately reduced. André and Jenny Roebert received their assignment from the Spirit of God.

STUDY IT

- I. Faith never quits.
 - When the Lord spoke to André and Jenny Roebert about establishing the faith church, building the Faith Dome and establishing Faith TV network all over the continent of Africa, they knew they could not do it in their own strength.
 - That's the difference between where *you* walk and where faith kicks in.
 - You walk in the natural, but God's purpose, plan and the vision for your life is always something bigger than where you are right now.
 - There's always a greater call, a greater purpose, a greater reason. God is not finished.
 - The walk of faith never stops. It's a continuous journey when you give your heart to Jesus.
 - Operate in faith and watch faith produce in every area. That's the pleasure of faith, to watch faith work on your behalf.
- II. Jesus said we should ask, seek and knock—A-S-K (Matthew 7:7).
 - *Seek* can be translated *research*.
 - We need to learn everything we can about faith, so we can live it. Faith is the only way we can please God (Hebrews 11:6).
 - Jesus spoke about the different measures of faith.
 - Whenever Jesus spoke about little faith, it was always associated with worry and fear.
 - Jesus spoke about the measure of faith; He was emphasizing quality as well as quantity.

- III. Every time faith is contaminated with fear, the power of faith is almost immediately reduced.
- For example: The storm came up and the disciples were terrified. They had so much fear, it contaminated their faith.
 - Great faith is completely persuaded like Abraham. It has no fear.
 - *Mercy* in Hebrew is *chesed* and it means “the greater brings up the smaller.”
 - God turned the armies of Jehoshaphat against each other because of *chesed*. The singers and praisers led the army (2 Chronicles 20:21, 23-24).
- IV. André and Jenny received their assignment from the Spirit of God.
- It was completely impossible for them to build a large church with no resources.
 - Every opportunity the enemy had to break down their faith came through people's words.
 - The thing we have to learn is to not be distracted from what God said.
 - Don't listen to the voices in the wilderness. They don't have the clarity. They don't have The WORD.
 - You have to roar with your faith in every circumstance.
 - The enemy is trying to break you down so you will allow fear to come into the situation.
 - When fear gets in, you move from a position of great faith to little faith. Your faith is compromised and contaminated.
 - Make sure your faith is never contaminated, then it will increase to great faith.
 - There will come an opportunity to compromise. Resist it. Stay strong in faith.

MAKE IT PERSONAL

Your faith in God's WORD should never quit. There will be obstacles (we have an enemy), but you can overcome every obstacle by believing and speaking what God has said.

Write down what God has said to you. Believe it and speak it every day.

DAY 2 – FAITH POSITIONS YOU TO PROSPER

Brother Oral Roberts had a breakthrough in the area of prayer. God's WORD never returns void; it always accomplishes His purpose. God is faithful; He will never take us to a place from which we have to retreat. Don't let anyone steal your dream.

STUDY IT

- I. Brother Oral Roberts had a breakthrough in the area of prayer.
 - Brother Roberts got the revelation of seed faith when he asked God and sowed a seed for a parsonage.
 - Oral Roberts' seed faith launched him into the miracle ministry. Everything changed.
 - He became very hungry for the ministry of healing like he had been when he wanted to be healed from tuberculosis and stuttering.
 - He sought and received the anointing for healing the rest of his life.
- II. God's WORD never returns void; it always accomplishes His purpose.
 - The fulfillment of God's purpose starts with a seed.
 - The testimony of what God has done in your past will position you for your future.
 - When God spoke to the Roeberts about the building, they had the vision.
 - People for many years told them it was impossible to do what God told them to do. Four different engineering companies said it could not be done.
 - Why would God give André a vision of something he could not complete?
 - The Lord said, *What I have given you can be done; but it must be Spirit-led.*
 - In the natural, it was impossible.
 - Solution: Get out of your natural mind. It will hold you back and restrict you. Don't use the natural to measure where you are in God's plan.
- III. God is faithful; He will never take us to a place from which we have to retreat.
 - There's no such thing as an obedient seed sown not coming to pass.
 - André sketched, from an engineering perspective, what God told him to draw. He didn't know anything about engineering, but he drew what God showed him.

BELIEVER'S VOICE OF VICTORY | BROADCAST NOTES

- He showed the engineers drawing and told them, "The Lord said this is how it has to be engineered."
- They said, "We will put it into the computer to find out if it will handle the stress pressures of a five-story building." Their answer, "Our computer agrees with God."
- When they were finished and ready to remove the scaffolding holding up the dome, they said, "If it moves more than 4 inches, we have trouble." When they removed the scaffolding, the dome moved only half an inch.
- The Roebert's dream took upon itself faith; and it fit together perfectly.
 - The two of them walking in agreement with each other and with God, with no wavering, made it happen.
- It was a victory for God!

IV. Don't let anyone steal your dream.

- Gloria wanted her own home. She had seen it in her spirit.
- She had pictures and drawings laid out on graph paper. She knew the colors; she knew where to get the furniture.
- The LORD said to Brother Copeland, *Her dream has taken upon itself faith. You minister this house to her.*
 - "Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes; For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited" (Isaiah 54:2-3).
- They have been in that house now for over 20 years.

MAKE IT PERSONAL:

On the way to accomplishing God's plan for your life, you need to position yourself to prosper. Stay on course with the plan, purpose and vision God has given you. You may be at the starting point or halfway there. Wherever you are on your journey, take your stand of faith and your position that leads to prosperity and success.

Write a declaration you can say every day to encourage yourself.

DAY 3 – FAITH STAYS ON THE RECEIVING SIDE

Stay on the giving side, the receiving side of God. Don't let your left know what your right is doing. You've got to get yourself into a position of faith, because that's a position of receiving. When you position yourself in faith, in that place of receiving, it changes everything in your world.

STUDY IT

- I. Stay on the giving side, the receiving side of God.
 - As soon as you get on a side that allows doubt and fear to come, it robs you from listening to the voice of The LORD.
 - You will start using your natural senses to measure what God has for you; and your faith doesn't work.
 - Continue to allow your spirit, not your mind, to be the guiding force in your life.
 - Then when you look at something, you're not looking at it from the perspective of a problem, you're looking at it from a perspective of God's WORD, and He will complete it.
- II. Don't let your left know what your right is doing (Matthew 6:3).
 - There are two different sides, doubt/fear and faith. We must step into and stay on the right side.
 - Remember, the left side causes you to doubt. It's that part where doubt and fear are going to dominate you.
 - The right side is the receiving side, the faith-in-God side.
 - When you give, don't let the left (the side of you that brings doubt) hinder or affect the right (the side of you that brings forth BLESSING and increase).
 - When you give, let your heart-motive and attitude come from faith.
 - When God sees your faith, He will reward you openly; and it will be clear and obvious for everyone to see His display of the results of your faith.
 - When you are in faith, you step into the side of you that is the giving side, and everything changes in your life. God shows up in the situation and begins to show Himself.

- III. You must get yourself into a position of faith, because that's a position of receiving.
- As born-again believers, as men and women of God, as people of faith, we have to live on the right.
 - *Black's Medical Dictionary* discusses the human brain: "The human brain is made up of the cerebrum that consists of a left and a right side, or ventricle. Most of our operations, such as speech, memory, taste, touch, emotions, physical senses and decision-making operate from the left side."
 - In other words, everything that you think about every day is dealt with by the left side of your brain.
 - Black's Dictionary continues: "According to an article written by Dorothy Leonard and Susaan Straus called *Putting Your Company's Whole Brain to Work, an Analytical, Logical and Sequential Approach to Problem Framing and Solving*, left brain thinking clearly differs from the intuitive, value-based, non-linear, right-brain thinking. I would dare to say that left-minded thinking is based on natural circumstances and facts, while right-minded thinking is based on the supernatural faith in the unseen."
 - The natural man says, "Seeing is believing." The born-again spirit man says, "Believing is seeing."
 - We must get to the faith side; that is the receiving side.
- IV. When you position yourself in faith, in that place of receiving, it changes everything in your world.
- Suddenly, you're no longer affected, controlled or dominated with fear or the analytical thought processes that say, "I don't have enough. I can't do this."
 - We have to move out of this into the faith-side of thinking.
 - Because God said it, it is going to work.
 - Kenneth E. Hagin said, "If we can teach people to follow the Spirit, we can help them in every area of life."
 - Every born-again child of God who has been baptized in the Holy Spirit has access to divine intelligence.
 - Position yourself on the right side, the faith side, the giving side of God; and everything will come in line.

MAKE IT PERSONAL

Pray with us:

Heavenly Father, thank You for teaching me how to stay on the giving side. Help me to give in faith knowing that I will receive all You have for me. In Jesus' Name. Amen.

FAITH TO FULFILL THE PLAN OF GOD

OCTOBER 23-27, 2023

DAY 4 – FAITH CONNECTS YOU TO GOD'S RESERVOIR OF BLESSING

God has a plan for where you are supposed to go. There is a pipeline attached to a reservoir of the supernatural BLESSING of God for each one of us, and it doesn't run out. Find out when to begin; timing is key. God is in control of the Roebert's projects.

STUDY IT

- I. God sees the end from the beginning, and He has a plan for where you are supposed to go.
 - Spend time seeking God and reading His WORD. Listen to what you hear in your spirit from the Holy Spirit.
 - The more we turn toward God, the more we learn about Him.
 - Come to a place of absolute self-surrender.
 - As a child of God, we are positioned in a place of authority.
 - "Blessed be the God and Father of our Lord Jesus Christ, who hath BLESSED us with all spiritual BLESSINGS in heavenly places in Christ" (Ephesians 1:3).
 - We're already in that place of authority because of what He has done for us; but we have to recognize it and step into it.
- II. There is a pipeline attached to a reservoir of the supernatural BLESSING of God for each one of us, and it doesn't run out.
 - The reservoir is a supply that is more than enough, more than adequate, for what God has called you to do according to His purpose.
 - When André and Jenny started to move forward in the project God gave them, the Lord told them, *I want this to be different from other projects. I want this to be paid for in cash.*
 - The moment André connected to the reservoir of God's BLESSING, he began to see the supernatural provision of God come in.
- III. Find out when to begin; timing is key.
 - It's possible to rush ahead of God. Timing is important if you want to be in obedience to everything God says.

- When the vision and The WORD of God comes to you, understand that it is already done in the eyes of God. In the heart of God, it's fulfilled.
- The provision and BLESSING of God are there.
 - But that doesn't necessarily mean it's time for you to do it now.
 - Get the timing so that when you start to run there will be an adequate supply of God's goodness and BLESSING.
- You have to count the cost. You don't want to start, then run out of money.
- To get a loan from a banking institution is not wisdom.
 - First, you are entering into a covenant. You are in effect saying, "I am guaranteeing that I will be as equally able to pay this thirty years from now as I am now."
 - Second, you are connecting with a person or a company and you may not know their spiritual connection, or lack of connection, with God. Is this an individual who may or may not be a Christian? Is this a company run by a board that may be funded with honest, or dishonest, money? You don't know.
- Many people and churches are connected to ungodly people through a loan.
 - By getting a loan from them, or making a contract with them, you bring their spiritual beliefs into your life and your church.

IV. God is in control of every project of the Roeberts.

- All they have to do is stay hooked up to that pipeline of provision, that reservoir reserved for them. God guarantees provision to see every project completed.
 - The Copelands and the Roeberts do what they do with the same motive as Paul who wrote, "Not because I desire a gift: but I desire fruit that may abound to your account" (Philippians 4:17).
- The money Kenneth Copeland Ministries saved in interest by not borrowing as of July 2023 was \$53,097,581.
- Believe God for the money. Sow seeds to receive harvests. Learn to be debt free.

MAKE IT PERSONAL

Ask God to show you His reservoir of BLESSING. Then, seek Him to know how to tap in to that reservoir to meet every need. Thank Him and rejoice in His goodness and His provisions.

Pray with us:

Father, thank You for Your provision for me. I know You will give me what I need to accomplish Your will and plan. Praise You, Sir. In Jesus' Name. Amen.

FAITH TO FULFILL THE PLAN OF GOD

KENNETH COPELAND, ANDRÉ AND JENNY ROEBERT

OCTOBER 23-27, 2023

DAY 5 – FAITH TAPS INTO GOD'S HEAVENLY SUPPLY

We have all received a heavenly supply. All we need is ready for our use, but we have to use faith to bring it down to us. In Christ you have everything you need; it's all available. Wisdom is laid up for us.

STUDY IT

- I. We have all received a heavenly supply.
 - We can't walk in the fullness of that heavenly supply, that reservoir of provision, while there is unforgiveness or offense in our hearts. It blocks the flow of God.
 - Faith only works by Love (Galatians 5:6).
 - Even if you have all the faith in the world, faith to move mountains, it won't work without love (1 Corinthians 13:1-3).
 - You have to turn your faith loose to work for you.
 - Unforgiveness is a BLESSING blocker.
- II. All we need is ready for our use, but we have to use faith to bring it down to us.
 - God has already given us THE BLESSING.
 - THE BLESSING is not something we have to hope for or wait for, it's already been done.
 - Every time you see the word *BLESSED*, it means "empowered to prosper."
 - God has already empowered us to prosper with every spiritual BLESSING in heavenly places.
 - "Spiritual BLESSING" in *Dakes* concordance means, "Everything necessary for the work of God among men."
 - Anything you need to get that project done, or that dream fulfilled, is done.
 - It's not based on your limitation, it's according to His riches in glory. There is a limitless supply.

- III. In Christ you have everything you need; it's all available.
- "His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness" (2 Peter 1:3, *NIV*).
 - You don't need to face anything alone. Christ is in you; He is your hope of glory (Colossians 1:27).
 - All you have to do is tap in to it.
 - It's the same with The WORD of God. You can withdraw from the heavenly bank any time because you have the promise.
 - You made the deposit by sowing a seed. The seeds are multiplying.
 - Now, you can withdraw from the heavenly supply.
 - It's available to you, if you have the promise of The WORD of God—you have rightful claim to see it come into fulfillment in your life.
 - The deposit is already in the heavenly bank for you.
 - You have a covenant agreement with the heavenly Banker and the Judge.
 - Jesus said you have treasure in heaven where thieves can't steal and rust does not corrupt (Matthew 6:19).
 - There was a great price paid for those BLESSINGS to be available to you—the blood of Jesus.
- IV. Wisdom is laid up for us.
- God has all the wisdom we need to do what He wants us to do.
 - Pray in the spirit and quieten your mind.
 - Without God's wisdom, we can't do anything.
 - As you sow your seed, believe God that the favor, THE BLESSING and the goodness of God will come upon your lives; and you will truly learn, experience and tap in to all that God has for you. His BLESSING will overtake you and the days of your life shall be BLESSED.
