  - b. Psalm 107:20: "He sent his word, and healed them, and delivered them from their destructions."

Yeomans, a medical doctor who received divine healing for herself and then devoted her life to ministering and teaching this subject, would teach what she called 'healing classes' in the daytime during her revival meetings. She wrote in one of her books to this effect, 'I almost become angry sometimes. For when we are studying the Word of God on such an important subject as healing for the body, you can tell people are not paying a bit of attention to it. They will thumb through the songbook, stare off in space, look out the window or chew gum. And then those same people want you to pray the prayer of faith for them. Yet, they don't want to do anything themselves.'" —from *God's Medicine* by Kenneth E. Hagin

The measure [of thought and study] you give [to the truth you hear] will be the measure [of virtue and knowledge] that comes back to you—and more [besides] will be given to you who hear. For to him who has will more be given; and from him who has nothing, even what he has will be taken away [by force]."
  - a. You have two sets of ears—outer ears, and the ears of your heart.

7. This was more than just the dictates or desires of his flesh.
8. It included his physical health.

### D. James 3:2-6—We Take Authority Over Our Bodies

1. Verses 2-4 (NKJV): "For we all stumble in many things. If anyone does not stumble in word, he is a perfect [mature] man, able also to bridle the whole body. Indeed, we put bits in horses' mouths that they may obey us, and we turn their whole body. Look also at ships: although they are so large and are driven by fierce winds, they are turned by a very small rudder wherever the pilot desires."
  - a. We can turn around situations in our lives by the words that we speak.
  - b. "You are the prophet of your own life." —Kenneth Copeland
2. Verses 5-6 (NKJV): "Even so the tongue is a little member and boasts great things. See how great a forest a little fire kindles! And the tongue is a fire, a world of iniquity. The tongue is so set among our members that it defiles the whole body, and sets on fire the course of nature; and it is set on fire by hell."
3. Verse 2: "For in many things we offend all. If any man offend not in word, the same is a perfect man, and able also to bridle the whole body."
  - a. *Bridle* (GK) = to curb, control, keep in check and restrain
  - b. NIV-84: "If anyone is never at fault in what he says, he is a perfect man, able to keep his whole body in check."
  - c. AMPC: "For we all often stumble and fall and offend in many things. And if anyone does not offend in speech [never says the wrong things], he is a fully developed character and a perfect man, able to control his whole body and to curb his entire nature."
  - d. Controlling or determining the condition of the body begins by controlling the tongue.
  - e. We align our words to the Word of God.
4. Verse 3—We turn around our body with our words.

- a. Proverbs 18:20-21: "A man's belly shall be satisfied with the fruit of his mouth; and with the increase of his lips shall he be filled. Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof."
  - i. What are your words embracing?
  - ii. If you're embracing life, that's the fruit you'll have.
  - iii. If you're embracing death, that's the fruit you'll have.
  - iv. Ask the Holy Spirit to help you hear what you're saying. He'll help you grow and develop in your faith.
- b. Matthew 12:37 (NKJV): "For by your words you will be justified, and by your words you will be condemned."
  - i. Where your health is concerned we can quote this as, "By your words you are healed and by your words you are sick."
- c. Proverbs 12:18 (BBE): "The tongue of the wise makes one well again."
- d. Proverbs 13:3 (NLT): "Those who control their tongue will have a long life."
5. Subdue your body and command it to get in line with God's Word.
  - a. Don't put up with sickness—or any part of the curse.
  - b. Don't allow your body to tell you how it feels.
  - c. You have dominion and control over your body.
  - d. Get aggressive about it.
  - e. "Body—God's Word says you are healed."
  - f. "Marshal yourself under the command of the Holy Spirit." —Gloria Copeland
6. We enforce our covenant right to be healed by speaking the Word.
  - a. By faith, expect your body to obey accordingly.
  - b. John 1:14 (NKJV)—"The Word became flesh"—and it still does.
7. "That Just Burns Me Up."

A woman was experiencing constant fever for months. After a number of tests, her doctor was unable to locate the source. He finally asked her some questions. This line of questioning led to an interesting discovery.

She told him that when she got upset, she would say, "That just burns me up." She got upset often and would say it several times a day.

The doctor was not sure if there was a connection between her words and her fever, but he asked her to do an experiment. "Stop saying, 'That burns me up.'"

She stopped. Within weeks, the fever subsided, and her temperature remained normal.

## Our Confession of Faith

1. In the Name of Jesus, I take authority over my body. I glorify God in my body. I present my body as a living sacrifice, holy and acceptable unto the Lord, for this is my reasonable service.
2. Christ has redeemed me from the curse of the Law. Therefore, I forbid any sickness or disease to come upon this body. Every disease, germ and virus that touches my body dies instantly in the Name of Jesus. Every organ and every tissue of this body functions in the perfection which God created it to function. I forbid any malfunction in this body.
3. The life of 1 Peter 2:24 is a reality in my flesh, restoring every cell of my body. My body is the temple of the Holy Ghost. I make a demand on my body to release the right chemicals. My body is in perfect chemical balance. My pancreas secretes the proper amount of insulin for life and health.
4. That which God has not planted in my body is dissolved and rooted out of my body. I have uninhibited nerve flow. I am alive with the life of God.
5. I have a strong heart. My heart beats with the rhythm of life. My blood flows to every cell of my body, restoring life and health abundantly.
6. My immune system grows stronger day by day. I speak life to my immune system. The same Spirit who raised Christ from the dead dwells in me and is making alive my mortal flesh.
7. Bless the Lord, O my soul, and all that is within me. Bless His holy Name. Bless the Lord, O my soul and forget not all His benefits: who forgives my iniquities; who heals all my diseases; who redeems my life from destruction; who crowns me with loving kindness and tender mercies; who satisfies my mouth with good things so that my youth is renewed like the eagles.
